The Optimist:

The Optimist Joshua Mehigan, 2004 Nominated for the Los Angeles Times Book Prize The Optimist stares at contemporary darkness visible a darkly lit tableau that erases the boundary between the world and the perceiving self Whether narrative or lyric dramatic or satirical Mehigan's poems explore death desire and change with a mixture of reason and compassion There are echoes in The Optimist of Frost Robinson Keats and Justice and more in terms of point of view Bishop and Jarrell In Joshua Mehigan's award winning poetry one encounters a lucid resolute vision driven by an amazing facility with the metrical line Most of the poems in The Optimist unapologetically employ traditional poetic technique and in each of these Mehigan stretches the fabric of living language over a framework of regular meter to produce a compelling sonic counterpoint

The Optimist's Dilemma Chinmoy Mukherjee, 2025-05-25 Dr Aditya Sharma believed in the power of optimism As a renowned IVF specialist in Mumbai his clinic Genesis Hope was a sanctuary of gleaming sterile white walls and soft ambient golden hued lighting where the faint sharp scent of antiseptic mingled with the subtle hopeful aroma of blooming ivory jasmine from the potted plants in the waiting area a scent that clung to the air like a whispered promise The gentle almost inaudible hum of state of the art air filtration systems promised purity His social media presence echoed his philosophy a vibrant feed of success

stories encouraging quotes and the mantra The future is created by optimists Each post often accompanied by a soft sun kissed amber filter seemed to hum with an almost tangible positivity like a distant uplifting melody

The Optimist's/Pessimist's Handbook Niall Edworthy, Petra Cramsie, 2009-11-10 The mere sense of living is joy enough Emily Dickinson 1830 1886 American poet Humanity s story is one long testimony to the truth that life is as rewarding and beautiful as you make it As pioneers inventors and dreamers have always known you can do anything if only you persevere Ever since we hauled ourselves out of the swamp our history has been one of extraordinary cultural and technological progress of mind boggling discoveries and remarkable achievements often against the odds It s no coincidence that you see no statues of pessimists in city squares Still cynical and doubting voices are heard all too loudly and frequently in public discourse A potent antidote to their gloom and doom *The Optimist s Handbook* is a joyful explosion of wit and wisdom from our past and present that celebrates the art of greeting life with the excitement it deserves This handbook will inspire enchant and entertain you as you go forward into all your wonderful tomorrows Even if after reading it you are not moved to feats of glory for the greater good the fact is that optimists are healthier happier and richer than their gloomy counterparts Hear that killjoys The world is a grindstone and life

is your nose Fred Allen 1894 1956 American humorist Why beat around the bush The truth is that life is a never ending cycle of toil and pain with nothing but death to reward all our suffering Furthermore what solace is there in blind optimism or fanciful daydreaming when it is perfectly clear that the world is heading toward a complete meltdown whether we live in it or not Resigning yourself to life s grim treadmill and thereby avoiding more disappointments is the best way to trudge forward The Pessimist s Handbook is an indispensable companion on your journey through this vale of tears A clear sighted realistic look at life s obstacles this guidebook is stocked with the pearls of wisdom you need to counter the irritating voices of those who trumpet futile positivity and inane confidence in a brighter future Feel reassured that scores of people share your sense of impending doom and have done so for centuries After all misery loves company but not when it s a horde of perky utopians
