**The Orchid Keeper** Jennifer Deese, 2014-07-01 Drowning in addiction and denial Cora's life is in a fast downward spiral. If her actions don't soon change she could lose everything. After a visit from an odd little man Cora finds herself experiencing an otherworldly event that changes everything. The Orchid Keeper Tom Lowe, 2019-09-24 When Sean O'Brien stops near the Florida Everglades to buy flowers for a woman he doesn't know that the purchase will lead to a trail of deceit, greed, and murder. Chester Miller's life goal is to restore rare ghost orchids in the Everglades. Entering the glades he sees something that is very much out of place. The elder botanist becomes a target. O'Brien, in a race with the clock, follows a near-invisible path that takes him across Florida in a web of dark political corruption. The tables quickly change and O'Brien becomes the hunted in a fight for his life and the soul of Florida's environment. The Orchid Expert D. G. Hessayon, 2008 Shows readers how to make orchids permanent members of the family. This book provides information on the way to ensure repeat flowering, what to look for when buying a plant, the secrets of success, plant by plant, and preserving blooms the microwave way. The Orchid Keeper Paul Perry, 2006 Second collection of poems by one of the most hotly tipped younger Irish poets described by Fred D. Aguiar as a prodigiously gifted poet. *The American Bee Keeper*, 1907 **Rishi** Bruce Robert Jenkinson, 2011-06-08 The author is a native of the West Coast in the United States, getting a start in life in the San Francisco Bay Area. His early years included a multitude of outdoor activities including fishing, mountaineering, rock climbing, and years of work with the National Park Service as a backcountry ranger. Ever since receiving a master's degree in biology in the 1970s, the author has been heavily involved with the commercial fishing industry, primarily in Alaska. Along the way, however, his career in fisheries has allowed him to accept long-term overseas work assignments in the Soviet Union, the Sultanate of Oman, and in India. In 1979, the author again packed his well-used rucksack and headed off to Nepal and India, where in part he completed a trek through the Himalayan highlands in the same areas largely described in this book. It was there, in those oxygen-deprived mountain valleys, that the author first laid plans to write a book whose main character would ultimately be Rishi, as described in the present book. The author found himself continuously asking the question: What would happen if a new-age Messiah would visit the earth today? And more interestingly, the author queried himself: What would happen if that modern-day Messiah was neither white nor Christian? This book, *Rishi: the Misunderstood Messiah*, attempts to provide one potential answer as to what could take place under the above scenario. **Spytime** William F. Buckley (Jr.), 2000 A fictional account of the life of the head of U.S. counterintelligence.
