## **The Ordeal Of Richard Feverel Penguin Classics:**

The Ordeal of Richard Feverel George Meredith,1999-06-01 Of all nineteenth century English novels claims Edward Mendelson in his Introduction to this edition The Ordeal of Richard Feverel is the most self consciously literary in its style and structure and the most sexually explicit in its plot and theme First published in 1859 Meredith s first and most controversial novel concerns Sir Austin Feverel s misconceived attempts to educate his son Richard according to a system of his own devising a system based on theories of sexual restraint Exploring generational and gender conflicts the psychology of sexual jealousy and repression and myths of Eden and Utopia The Ordeal of Richard Feverel shocked Victorian readers but gained for itself a cult following Now that it has been freed from its reputation writes Mendelson readers can discover again the tragic and ironic force and the psychological and formal complexity that make The Ordeal of Richard Feverel one of the most profound subtle and moving works of English fiction

**The Ordeal of Richard Feverel** George Meredith,1998 The war between the sexes and the generations myths of Eden and Utopia and the psychology of sexual jealousy and repression are explored by Meredith in this novel The Ordeal of Richard Feverel 1859 concerns Sir Austin Feverel s misconceived attempts to educate his son Richard according to a system of his own devising Embodied in Sir Austin s anonymously published The Pilgrim s Scrip are his theories of sexual restraint which find little favour with Richard BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Ordeal of Richard Feverel** George Meredith,2010-01 The Ordeal of Richard Feverel George Meredith,2004-07 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide

**The Sequential Dynamics of Narrative** Ken Ireland,2001 Building on critical theories of narrative this study analyses temporal and continuity relations in fiction

**The Ordeal of Richard Feverel** George Meredith,1970-02-01 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide

**Penguin Classics** Penguin (Firm),2001 George Meredith Jacqueline P. Banerjee,2012 George Meredith was a lyrical yet searingly honest poet and an influential novelist whose fiction distilled contributed to and animated the major debates of the Victorian age He became at once an arbiter of taste in his own times and a trailblazer for modernism In many ways an extraordinary larger than life figure he has always had his admirers and critics have continued to be drawn to the

biographical socio political scientific and experimental aspects of his oeuvre Some of his works including the sonnets of Modern Love his Essay on Comedy and the Uses of the Comic Spirit and novels like The Egoist have attained the status of classics The present study focuses on such works putting them in context to show how innovatively this versatile writer shaped and reshaped his material and how powerfully his inimitable voice still resonates with and challenges us in the twenty first century

**Thomas Hardy, Time and Narrative** K. Ireland, 2014-07-29 How is Hardy's development of thematic and characters matched by that of narrative techniques and his handling of time This book uses narratological methods to stress the interdependence of content and expression in a key transitional writer between the Victorian and Modernist eras

**The Experimental Impulse in George Meredith's Fiction** Richard C. Stevenson, 2004 This book argues that George Meredith as a writer of Victorian fiction is most critical for us today because of the ways in which he wrote against convention The focus is on seven novels An Essay on Comedy The Ordeal of Richard Feverel The Adventures of Harry Richmond The Egoist One of Our Conquerors Lord Ormont and His Aminta and The Amazing Marriage which clearly illuminate the experimental and transgressive impulse in Meredith as seen in his treatment of controversial contemporary themes in his departures from conventions of genre and in his innovations with narrative technique and the representation of consciousness canonical writers we now associate with the first wave of modernism in the English novel James and then Woolf Forster Lawrence Conrad Ford and Joyce to varying degrees all saw Meredith as an influence to be reckoned with in their own novelistic experimentation an influence this book proposes essential to understanding the modernist translation of nineteenth century realism into new formal thematic and psychological realms twentieth century British novel at the University of Oregon

*Gothic and the Comic Turn* A. Horner, S. Zlosnik, 2004-11-30 Although Gothic writing is now seen as significant for an understanding of modernity it is still largely characterized as a literature of fear and anxiety Gothic and the Comic Turn argues that partly through its desire to be taken seriously Gothic criticism has neglected the comic doppelganger that has always inhabited the Gothic mode and which in certain texts emerges as dominant Tracing an historical trajectory from the late Romantic period through to the present day this book examines how varieties of comic parody and appropriation have interrogated the complexities of modern subjectivity

*Penguin Classics Complete Annotated Catalog* Penguin Books, 2003

The ordeal of Richard Feverel George Meredith, 1906

**A History of the Bildungsroman** Sarah Graham, 2019-01-03 This detailed analysis of the evolution of the Bildungsroman genre is unprecedented in its historical and geographical range

*The Ordeal of Richard Feverel* George Meredith, 2017-05-26 The Ordeal of Richard Feverel A History of Father and Son 1859 is the earliest full length novel by George Meredith its subject is the inability of systems of education to control human passions It is one of a select group of standard texts that have been included in all four of Everyman's Library 1935 the New American Library of World Literature 1961 Oxford World's Classics 1984 and Penguin Classics 1998 With its rigorous psychological analysis and criticism of contemporary attitudes to sexuality it has been seen by some critics as the first

modern novel in English literature Synopsis Sir Austin Feverel's wife deserts him to run away with a poet leaving her husband to bring up their boy Richard Believing schools to be corrupt Sir Austin a scientific humanist educates the boy at home with a plan of his own devising known as the System This involves strict authoritarian supervision of every aspect of the boy's life and in particular the prevention of any meeting between Richard and girls of his own age Richard nevertheless meets and falls in love with Lucy Desborough the niece of a neighboring farmer Sir Austin finds out and disapproving of her humble birth forbids them to meet again but they secretly marry Sir Austin now tries to retrieve the situation by sending Richard to London Here however Sir Austin's friend Lord Mountfalcon successfully sets a courtesan to seduce Richard hoping that this will leave Lucy open to seduction by himself Ashamed of his own conduct Richard flees abroad where he at length hears that Lucy has given birth to a baby and has been reconciled to Sir Austin He returns to England and hearing about Lord Mountfalcon's villainy challenges him to a duel But this goes badly Richard is seriously wounded Lucy is so overcome by this turn of events that she loses her mind and dies In 1856 George Meredith's wife Mary began an affair with the artist Henry Wallis In the following year pregnant by Wallis she ran away to join him leaving her son Arthur behind Meredith undertook to bring the child up The parallels with the opening chapters of the novel are obvious though Sir Austin is certainly not intended as a self portrait 2 Meredith was equivocal in his attitude to Sir Austin's favourite educational theories which it has been shown derived largely from the medical writer William Acton's Prostitution Considered in Its Moral Social she died three years later The collection of sonnets entitled Modern Love 1862 emerged from this experience as did The Ordeal of Richard Feverel his first major novel

Male Adolescence in Mid-Victorian Fiction Alice Crossley, 2018-07-06 Focusing on works by George Meredith W M Thackeray and Anthony Trollope Alice Crossley examines the emergence of adolescence in the mid Victorian period as a distinct form of experience Adolescence Crossley shows appears as a discrete category of identity that draws on but is nonetheless distinguishable from other masculine types Important more as a stage of psychological awareness and maturation than as a period of biological youth Crossley argues that the plasticity of male adolescence provides Meredith Thackeray and Trollope with opportunities for self reflection and social criticism while also working as a paradigm for narrative and imaginative inquiry about motivation egotism emotional and physical relationships and the possibilities of self creation Adolescence emerges as a crucial stage of individual growth adopted by these authors in order to reflect more fully on cultural and personal anxieties about manliness The centrality of male youth in these authors novels Crossley demonstrates repositions age consciousness as an integral part of nineteenth century debates about masculine heterogeneity

**Nineteenth-century Literature**, 1999 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James

**The Egoist** George Meredith, George Woodcock, 2007-04-26 Virginia Woolf said of The Egoist Meredith pays us a supreme compliment to which

as novel readers we are little accustomed He imagines us capable of disinterested curiosity in the behaviour of our kind In this the most dazzlingly intellectual of all his novels Meredith tries to illuminate the pretensions of the most powerful class within the very citadel of security which its members have built He develops to their logical extremity his ideas on egoism on sentimentality and on the power of comedy Meredith saw egoism as the great enemy of truth feeling and progress and comedy as the great dissolver of artifice The Egoist is the extreme expression of his recurrent theme the defeat of egoism by the power of comedy Geary's Guide to the World's Great Aphorists James Geary,2008-12-08 Both an expert and a

collector James Geary has devoted his life to aphorisms and the last few years to organizing indexing and even translating them The result is Geary s Guide featuring aphorists like Voltaire Twain Shakespeare Nietzsche Woody Allen Muhammad Ali Emily Dickinson and Mae West as well as international practitioners appearing in English for the first time But it is more than just a conventional anthology It is also an encyclopedia containing brief biographies of each author in addition to a selection of his or her aphorisms The book is a field guide too with aphorists organized into eight different species such as Comics Critics Icons and Painters Poets The book s two indexes by author and by subject make it easily searchable while its unique organizational structure and Geary s lively biographical entries set it apart from all previous reference works A perfect follow up to Geary s New York Times bestseller The World in a Phrase Geary s Guide is eminently suitable for browsing or for sustained reading A comprehensive guide to our most intimate idiosyncratic literary form the book is an indispensable tool for writers and public speakers as well as essential reading for all language lovers **The History of the**

**Decline and Fall of the Roman Empire** Edward Gibbon,1996-08-01 Edward Gibbon s six volume History of the Decline and Fall of the Roman Empire 1776 88 is among the most magnificent and ambitious narratives in European literature Its subject is the fate of one of the world s greatest civilizations over thirteen centuries its rulers wars and society and the events that led to its disastrous collapse Here in volumes three and four Gibbon vividly recounts the waves of barbarian invaders under commanders such as Alaric and Attila who overran and eventually destroyed the West He then turns his gaze to events in the East where even the achievements of the Byzantine emperor Justinian and the campaigns of the brilliant military leader Belisarius could not conceal the fundamental weaknesses of their empire For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Ordeal Of Richard Feverel Penguin Classics: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Ordeal Of Richard Feverel Penguin Classics : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Ordeal Of Richard Feverel Penguin Classics : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
