Delany,2014-04 Skillfully blending biblical history archaeology and anthropology Delany offered evidence to the serious inquirer suggesting the first humans were African and that these Africans were builders of the pyramids sculptors of the sphinxes and original god kings With such radical assertions Delany advanced a model of ancient history that contradicted that very foundation of intellectual racism **Origin of Races and Color Paperback** Martin R Delany,2022-04 Of the books authored by Martin R Delany 1812 1885 *The Origin of Races and Color* is perhaps the most obscure Out of print until now it has been available to the public only through select libraries At the time of its publication in 1879 this valuable resource presented a bold challenge to racist views of African inferiority Delany wrote in opposition to a developing oppressive intellectualism that used Darwin s thesis the survival of the fittest to support its demented theories of Black inferiority Skillfully blending biblical history archaeology and anthropology Delany offered evidence to the serious inquirer suggesting the first humans were African and that these Africans were builders of the pyramids sculptors of the sphinxes and original god kings With such radical assertions Delany advanced a model of ancient history that contradicted the very foundation of intellectual racism He believed knowledge of one s past was essential and that it could provide Black people with the regenerative force necessary to inspire their self improvement Were he alive today Delany would certainly feel at home with the present generation of Africancentrists especially since he developed and articulated so many of their arguments more than a century ago **The Origin of Race and Civilization, Or an Exposé of the False Christian Doctrines and Distorted Historical and Scientific Teachings Regarding the Origins of the Species of Life, Human and Subhuman Races, Adamic Man,**
