The Origin of the Trust Irina Gvelesiani, 2024-09-19 This book offers an interdisciplinary approach that covers linguistics and jurisprudence shows the interconnectedness of law and language singles out major theories related to the emergence of the concept of trust and discusses them from the perspective of legal linguistics Contemporary globalizing processes change the contours of different spheres of life Against the backdrop of ongoing changes an overall tendency emerges of the unifying and harmonizing legal systems The dominance of American and English law firms fuels a broader worldwide circulation of Anglo American legal concepts and instruments Increasing contacts of non trust jurisdictions with trustees and trust assets promote the use of trusts and trust like devices in civil law jurisdictions As a result the interest towards the entrusting relationships increases The research in this book is based on the methods of descriptive and structural semantic analyses Emphasis is put on the interinfluence of the West Germanic languages and the laws of the Germanic tribes the Salian Franks and the Anglo Saxons The book consults selected Franconian manuscripts lex salica and lex ripuaria and dictionaries for the study and interpretation of the trust related lexical units The results of the research shed a new light on the origin of the common law trust and its predecessor use The book is intended for legal linguists lawyers legal practitioners legal historians and for researchers and students in the fields of trust law legal linguistics and legal history Trust and Confidence in

Government and Public Services Sue Llewellyn, Stephen Brookes, Ann Mahon, 2013-10-28 Trust and confidence are topical issues Pundits claim that citizens trust governments and public services increasingly less identifying a powerful new erosion of confidence that in the US goes back at least to Watergate in the 1970s Recently media exposure in the UK about MP expenses has been extensive and a court case ruled in favor of publishing expense claims and against exempting MPs from the scrutiny which all citizens are subject to under freedom of information As a result revelations about everything from property speculation to bespoke duck pond houses have fueled public outcry and survey evidence shows that citizens increasingly distrust the government with public resources This book gathers together arguments and evidence to answers questions such as What is trust Can trust be boosted through regulation What role does leadership play in rebuilding trust How does trust and confidence affect public services The chapters in this collection explore these questions across several countries and different sectors of public service provision health education social services the police and the third sector The contributions offer empirical evidence about how the issues of trust and confidence differ across countries and sectors and develop ideas about how trust and confidence in government and public services may adjust in the information age **Law**

**Express Question and Answer: Equity and Trusts** John Duddington, 2014-03-04 From the BESTSELLING Law Express revision series Law Express Question and Answer Equity and Trusts is designed to ensure you get the most marks for every answer you write by improving your understanding of what examiners are looking for helping you to focus in on the question being asked and showing you how to make even a strong answer stand out **Moffat's Trusts Law** Jonathan

Garton, Rebecca Probert, Gerry Bean, 2020-05-14 Always the serious student's choice for a Trusts Law textbook the new seventh edition of Moffat's Trusts Law once again provides a clear examination of the rules of Trusts retaining its hallmark combination of a contextualised approach and a commercial focus The impact of statutory developments and a wealth of new cases including the Supreme Court and Privy Council decisions in *Patel v Mirza* 2016 UKSC 42 *PJS v News Group Newspapers Ltd* 2016 UKSC Burnden Holdings v Fielding 2018 UKSC 14 and *Federal Republic of Brazil v Durant* 2015 UKPC 35 are explored A streamlining of the chapters on charitable Trusts better to align the book with the typical Trusts Law course helps students understand the new directions being taken in the areas of Trust Law and equitable remedies

**The Origins of Modern Financial Crime** Sarah Wilson, 2014-06-05 The recent global financial crisis has been characterised as a turning point in the way we respond to financial crime Focusing on this change and crime in the commercial sphere this text considers the legal and economic dimensions of financial crime and its significance in societal consciousness in twenty first century Britain Considering how strongly criminal enforcement specifically features in identifying the post crisis years as a turning point it argues that nineteenth century encounters with financial crime were transformative for contemporary British societal perceptions of crime and its perpetrators and have lasting resonance for legal responses and societal reactions today The analysis in this text focuses primarily on how Victorian society perceived and responded to crime and its perpetrators with its reactions to financial crime specifically couched within this It is proposed that examining how financial misconduct became recognised as crime during Victorian times makes this an important contribution to nineteenth century history Beyond this the analysis underlines that a historical perspective is essential for comprehending current issues raised by the fight against financial crime represented and analysed in law and criminology as matters of enormous intellectual and practical significance even helping to illuminate the benefits and potential pitfalls which can be encountered in current moves for extending the reach of criminal liability for financial misconduct Sarah Wilson's text on this highly topical issue will be essential reading for criminologists legal scholars and historians alike It will also be of great interest to the general reader The Origins of Modern Financial Crime was short listed for the Wadsworth Prize 2015

**Text, Cases and Materials on Equity and Trusts** Mohamed Ramjohn, 2008-06-30 Text Cases and Materials on Equity and Trusts has been considerably revised to broaden the focus of the text in line with most LLB core courses to encompass equity remedies and injunctions and to take account of recent major statutory and case law developments The new edition features increased pedagogical support to outline key points and principles and improve navigation notes to encourage students to reflect on areas of complexity or controversy and self test questions to consolidate learning at the end of each chapter New to this edition is a detailed examination of The Civil Partnership Act 2004 and the Charities Act 2006 important case law developments such as *Stack v Dowden* constructive trusts and family assets *Oxley v Hiscock* quantification of family assets *Barlow Clowes v Eurotrust* review of the test for dishonesty *Abou Ramah v Abacha* dishonest assistance and change of

position defence AG for Zambia v Meer Care answers to the questions contained within the text and sample essay questions
