The Oscars Hijack:

Hijack Bernice Rubens, 1993 *Hijacking the Runway* Teri Agins, 2014-10-09 A fascinating chronicle of how celebrity has inundated the world of fashion realigning the forces that drive both the styles we covet and the bottom lines of the biggest names in luxury apparel From Coco Chanel's iconic tweed suits to the miniskirt's surprising comeback in the late 1980s fashion houses reigned for decades as the arbiters of style and dictators of trends Hollywood stars have always furthered fashion's cause of seducing the masses into buying designers clothes acting as living billboards Now forced by the explosion of social media and the accelerating worship of fame red carpet celebrities are no longer content to just advertise and are putting their names on labels that reflect the image they or their stylists created Jessica Simpson Jennifer Lopez Sarah Jessica Parker Sean Combs and a host of pop sports and reality show stars of the moment are leveraging the power of their celebrity to become the face of their own fashion brands embracing lucrative contracts that keep their images on our screens and their hands on the wheel of a multi billion dollar industry And a few celebrities like the Olsen Twins and Victoria Beckham have gone all the way and reinvented themselves as bonafide designers Not all celebrities succeed but in an ever more crowded and clamorous marketplace it's increasingly unlikely that any fashion brand will succeed without celebrity involvement even if designers like Michael Kors have to become celebrities themselves Agins charts this strange new terrain with wit and insight and an insider's access to the fascinating struggles of the bold type names and their jealousies insecurities and triumphs Everyone from industry insiders to fans of Project Runway and America's Next Top Model will want to read Agins's take on the glitter and stardust transforming the fashion industry and where it is likely to take us next

Hijacking Sustainability Adrian Parr, 2012-02-10 How the sustainability movement has been co-opted from ecobranding by Wal Mart to the greening of the American military The idea of sustainability has gone mainstream Thanks to Prius driving movie stars it's even hip What began as a grassroots movement to promote responsible development has become a bullet point in corporate ecobranding strategies In *Hijacking Sustainability* Adrian Parr describes how this has happened how the goals of an environmental movement came to be mediated by corporate interests government and the military Parr argues that the more popular sustainable development becomes the more commodified it becomes the more mainstream culture embraces the sustainability movement's concern over global warming and poverty the more sustainability culture advances the profit maximizing values of corporate capitalism And the more issues of sustainability are aligned with those of national security the more military values are conflated with the goals of sustainable development Parr looks closely at five examples of the hijacking of sustainability corporate image greening Hollywood activism gated communities the greening of the White House and the incongruous efforts to achieve a sustainable army Parr then examines key challenges to sustainability waste disposal disaster relief and environmental refugees slum development and poverty Sustainability Parr says offers an alternative narrative of the collective good an idea now compromised and endangered by corporate military and government

interests *Hijacking History* Liane Tanguay,2013-01-01 In *Hijacking History* Liane Tanguay unravels the ideology behind an American enterprise unprecedented in scope ambition and brazen claim to global supremacy the War on Terror She argues that the fears anxieties and even the hopes encoded in American popular culture account for the public s passive acceptance of the Bush administration s wars overseas and violation of many of the rights privileges and freedoms they claimed to defend In her analysis Tanguay critically examines the neoconservative contention that the current system of liberal democratic capitalism represents the peak of human evolution a claim that creates the impression of a post historical age Establishing a continuity between the post historical imaginary and the attacks of 9 11 the book examines the links between shifting justifications for the war renewed militarism and capitalist globalization Reviewing a wide range of media including Hollywood films network television and presidential rhetoric Tanguay calls for a revival of politics in popular culture and rejects the politics of fear as disseminated by mass media A timely retrospective on the War on Terror *Hijacking History* examines popular representations of US military action and dissects both the logic and the aesthetics by which the dominant discourses strive to justify war while revealing how some of those forces can ultimately contribute to an ideology of resistance **As Texas Goes...: How the Lone Star State Hijacked the American Agenda** Gail Collins,2012-05-29

Discusses the conservative political agenda that began in Texas and how it became a national movement with far reaching social and economic consequences *Bette & Joan* Shaun Considine,2017-01-25 This joint biography of Bette Davis and Joan Crawford follows Hollywood s most epic rivalry throughout their careers They only worked together once in the classic spine chiller *What Ever Happened to Baby Jane* and their violent hatred of each other as rival sisters was no act In real life they fought over as many man as they did film roles The story of these two dueling divas is hilarious monstrous and tragic and Shaun Considine s account of it is exhaustive explosive and unsparing Rip roaring A definite ten *New York Magazine*

Hijacking the Brain Louis Teresi,2011-10-20 *Hijacking the Brain* provides the first ever scientific explanation for the success of Twelve Step programs *Hijacking the Brain* examines data provided by recent rapid growth in the fields of neuroscience neuroimaging psychology sociobiology and interpersonal neurobiology that have given us new dramatic insights into the neural and hormonal correlates of stress and addiction cognitive decline with addiction as well as for the relative success of Twelve Step Programs of recovery Addiction is recognized by experts as an organic brain disease and most experts promote Twelve Step programs AA NA CA etc which invoke a spiritual solution for recovery To date no one has described why these programs work *Hijack* tells us why In *Hijack* the role of working The Steps for reducing stress and becoming emotionally centered is discussed in depth A full chapter is devoted to the rewarding and comforting physiology of meditation and the spiritual experience The author uses examples from animal sociobiology as well as sophisticated human brain imaging studies to demonstrate that empathic socialization and altruism are instinctive and naturally rewarding and along with Step Work act as a substitute for the synthetic rewards of drugs of abuse *Hijack* does not challenge the Steps or

the Traditions of Twelve Step programs The sole intention of Hijacking the Brain is to connect the dots between an organic brain disease and a spiritual solution with sound physical scientific evidence Avoiding strict scientific language as much as possible Hijack is written for the layperson and abundantly illustrated Hijacked! Clarence Washington Sr.,2021-06-24 In this four volume series Hijacked How Dr King s Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the third volume of the Hijacked collection The Nightmare the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King s dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King s dream a reality instead of watching it morph into something dark The Nightmare is an exposition of the tragic evidence of America s imminent loss of her exceptional nation status and the opportunity to make Dr King s dream a reality For the full dissection of Dr King s dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King s Dream Became a Nightmare Other volumes in this series focus on the dream the hijack itself and how we can recover

Head & Heart Kirstin Ferguson,2023-09-05 Winner of the Thinkers50 2023 Leadership Award One of Thinkers50 s Ten Best Management Books of 2023 A timely actionable book on the virtues that every great leader needs to learn ADAM GRANT 1 New York Times bestselling author of Think Again and host of the TED podcast WorkLife Leadership is simply a series of moments and this book gives you the tools to turn each moment into an opportunity to leave a positive legacy for those you lead In this ground breaking book award winning leadership expert and business leader Kirstin Ferguson has written a much needed practical guide for every modern leader Whether you are the head of one of the largest companies in the world supervising a small team or guiding your family it will be your ability to integrate your head and heart that will influence your success in leading others and navigating our complex world Combining studies from leading thinkers in the field with her own research and more than three decades of personal experience Kirstin explains the 8 key attributes of a head and heart leader and provides the tools to measure your own approach Along the way she shares her conversations with modern leaders from a broad range of backgrounds whose stories will surprise you challenge your thinking and inspire you to be the type of leader the world needs More Honors for Head Heart Royal Society of Arts Career Book Award Next Big Idea Club Must Read Shortlisted in the 2023 Porchlight Business Book Awards Shortlisted in the 2023 Australian Business Book Awards Named in HR Magazine Winter Reading list **Hijacked by Jesus (eBook)** Stephan Joubert,2011-11-02 After

having been the victim of a hijacking Stephan Joubert realized that he had a second chance to truly live for God From that point on he has allowed Jesus to totally and gracefully transform his life Stephan explains that a Jesus hijacking is about people who have been touched by the story of Jesus People who have been hijacked by the grace of God spread goodness around like wildfire They constantly infect other people with the right virus grace They are highly contagious and beautifully dangerous They set wildfires of mercy alight that spread from person to person and to the rest of God s creation HIJACKED BY JESUS will inspire readers to walk much closer to the Savior and equip them to be grace distributors in their homes churches and the world around them

The Hijacking of Christianity Harry Charles, Ed.S.,2024-02-23 The Hijacking of Christianity is a whirlwind of exposing secrets that have been hidden for centuries We begin with the origin of Christianity We give you the religious world of Christianity as a jigsaw puzzle with all the hidden truths as pieces of the puzzle scattered around the world in secret places The writer places you the reader as participants As you read this book you will be able to literally see the puzzle come together We uncover who created Christianity where the cross came from who gave us all the holidays we currently celebrate and who was Jesus Christ how he was invented and what his real name is We expose why his real name was hidden from the world for centuries We reveal how and why the scriptures of the original Bible and characters were changed and why This book provides proof through research the Bible DNA geography science and writings of different scholars this book shows how deceptions cover ups distortions and the whitewashing of biblical characters icons the Messiah and God himself were changed

U.S. and Foreign Registered Aircraft Hijackings ,1981 **Breaking History: Vanished!** Sarah Pruitt,2017-11-15 A front row seat to the breaking news photos and hype surrounding history s most mysterious disappearances The first title in an exciting new series from A DB Cooper Alcatraz escapees Frank Morris John Anglin and Clarence Algin Jim Thompson Judge Joseph Force Crater and more Starting with the first 30 days surrounding each incident and then looking at efforts up to this very day to solve each case this book covers in photos and text history s most perplexing vanishings

The Achille Lauro Hijacking Michael K. Bohn,2004 Political speeches and public rhetoric paint the phenomena of terrorism with a black and white brush presenting it as a clear cut battle between evildoers and heroes With The Achille Lauro Hijacking Michael K Bohn who watched the incident unfold from the White House Situation Room uses one of the most infamous terrorist incidents of the past twenty five years to illuminate the folly of such oversimplified jingoisms The 1985 hijacking of the Italian cruise ship the amazing capture of the terrorists and a previously untold story of American bigotry come together in this book as a case study in the complex forces that shape both terrorism and the responses that it triggers In October 1985 four Palestinian men hijacked an Italian cruise ship Achille Lauro holding hundreds hostage for two days The hijackers killed a partially disabled sixty nine year old Jewish American Leon Klinghoffer and threw his body into the sea Many remember Klinghoffer's death but few know of the other murder associated with the hijacking that of Alex Odeh Odeh defended on television Yasser Arafatas apparent role in defusing the hijacking He was killed the next day by a terrorist

bomb which exploded as he opened the door of his Los Angeles office the American Arab Anti Discrimination Committee Palestinians killed Klinghoffer because he was Jewish yet Jewish extremists killed Odeh because he was a Palestinian The Klinghoffer family's long crusade to bring the hijacking mastermind Abu Abbas to justice was partially satisfied with his April 2003 capture in Iraq The Odeh family still waits for charges to be brought against Alex's murderers a particularly disheartening situation as Israel America's friend and ally refuses to extradite two suspects These two deaths pale in comparison to the atrocities of September 11 2001 Yet understanding both the Achille Lauro incident and the extraordinary sequence of events that followed will help Americans better understand the threat of terrorism Terrorism is not an enemy it is a tactic chosen by some to further political goals Terrorism is not just about crime and punishment it is about violence power politics prejudice hatred land religion greed money and a host of venal factors that influence human society All of these forces are present in the Achille Lauro hijacking and its aftermath

Aircraft Hijacking United States. Congress. House. Committee on Foreign Affairs, 1970

The Hijacking of American Flight 119 John Wigger, 2023-10-12 In 1971 D B Cooper pulled off what some call the crime of the century skyjacking a Boeing 727 and parachuting into history and legend Here's a book that offers a gripping account of that still unsolved case based on never before published interviews showing how it launched one of the most extraordinary eras in American aviation history In November 1971 an unidentified man later anointed by the media as D B Cooper pulled off one of the most audacious crimes in aviation history hijacking a Northwest Airlines flight over the Pacific Northwest and parachuting from the Boeing 727 with 200 000 in ransom D B Cooper was never to be seen again and the FBI which kept his case open for forty years finally determined it would never be solved Unsolved perhaps but much admired Over the next seven months a number of air pirates imitated Cooper's crime None were more daring than the hijacker of American Airlines Flight 119 After commandeering the flight from St Louis with a machine gun and collecting 502 500 in ransom the Flight 119 hijacker parachuted into the night over Indiana Unlike Cooper he was found These two crimes were part of a wave of hijackings that occurred between 1961 and 1972 D B Cooper may have been the most famous but he was far from alone One hijacker ran across the tarmac in Reno Nevada with a pillowcase over his head gun in hand to seize a United Airlines flight Another collected a large ransom in Washington D C before jumping over Honduras Motivations in many cases remain murky an admixture of politics greed derring do and boredom What they had in common was how they transfixed the nation's attention bringing about a transformation in the ways that commercial airlines were run and how the laws of the skies were enforced With its focus on the parachute hijackers beginning with D B Cooper John Wigger's book gathers together the stories of this period of daring criminality and recounts them in gripping fashion showing their effect on the public the media and law enforcement Using never before published interviews and first hand accounts he brings one of the most chaotic periods in U S commercial aviation to life

When the Going Was Good Graydon Carter, 2025-03-25 From the pages of Vanity Fair to the red carpets of Hollywood editor Graydon Carter's memoir revives the

glamorous heyday of print magazines when they were at the vanguard of American culture When Graydon Carter was offered the editorship of Vanity Fair in 1992 he knew he faced an uphill battle how to make the esteemed and long established magazine his own Not only was he confronted with a staff that he perceived to be loyal to the previous regime but he arrived only a few years after launching Spy magazine which gloried in skewering the celebrated and powerful the very people Vanity Fair venerated With curiosity fearlessness and a love of recent history and glamour that would come to define his storied career in magazines Carter succeeded in endearing himself to his editors contributors and readers as well as many of the faces that would come to appear in Vanity Fair s pages He went on to run the magazine with overwhelming success for the next two and a half decades Filled with colorful memories and intimate details When the Going Was Good is Graydon Carter s lively recounting of how he made his mark as one of the most talented editors in the business Moving to New York from Canada he worked at Time Life The New York Observer and Spy before catching the eye of Cond Nast chairman Si Newhouse who pulled him in to run Vanity Fair In Newhouse he found an unwavering champion a loyal proprietor who gave Carter the editorial and financial freedom to thrive Annie Leibovitz s photographs would come to define the look of the magazine as would the New Establishment and annual Hollywood issues Carter further planted a flag in Los Angeles with the legendary Vanity Fair Oscar party With his inimitable voice and signature quip he brings readers to lunches and dinners with the great and good of America Britain and Europe He assembled one of the most formidable stables of writers and photographers under one roof and here he re creates in real time the steps he took to ensure Vanity Fair cemented its place as the epicenter of art culture business and politics even as digital media took hold Charming candid and brimming with stories When the Going Was Good perfectly captures the last golden age of print magazines from the inside out

Africa in Transition: Witness to Change Godfrey Mwakikagile, 2018-04-12 Godfrey Mwakikagile looks at the major changes Africa has gone through since the end of colonial rule including some of the events he witnessed in his home country Tanganyika later Tanzania since the late 1950s the dawn of a new era when Africa was headed towards independence One of the fundamental changes he looks at took place in the 1990s when most countries across the continent gradually moved from authoritarian rule to democracy although he contends that the gains made during that transitional period have not been consolidated and sustained through the years The majority of Africans still live under one form of authoritarian rule or another including outright dictatorship

The African Liberation Struggle Godfrey Mwakikagile, 2018-05-06 This work focuses on the liberation struggle from the 1960s to the 1990s in the countries of southern Africa to end white minority rule The author writes from personal experience When the Organisation of African Unity OAU was formed in Addis Ababa Ethiopia in May 1963 Tanganyika now Tanzania was chosen to be the headquarters of the OAU Liberation Committee All the African liberation movements went on to open their offices in Tanzania s capital Dar es Salaam Many refugees fleeing oppression in the countries of southern Africa also went to live in Tanzania The author was a young news reporter in Dar es

Salaam in the early seventies and got the chance to know some of the freedom fighters and their leaders who were based there during those days He also interviewed a number of them and has provided an additional perspective to his work as a primary source of some of the material included in his book It was one of the most important periods in the history of post colonial Africa Most countries on the continent had won independence by 1968 The toughest struggle was in the few strongholds of white minority rule in the southern part of the continent and in the Portuguese colony of Guinea Bissau Cape Verde in West Africa which finally ended in victory As President Nyerere once said Throughout history nationalist struggles have had one end victory Hearings, Reports and Prints of the House Committee on Interstate and Foreign Commerce United States. Congress. House. Committee on Interstate and Foreign Commerce,1970
