OTHER SIDE Samasoni Pe'a, 2017-09-13 I really enjoyed reading your story You have a gift of seeing into the other side of the veil and I am impressed also with your mother's gift as well Phil Hanks previous L D S Temple President Samoa emSamasoni is of Samoan German and Chinese decent Raised in the U S in Los Angeles California at the age of 14 had a spiritual experience that he will never forget It has made a major impact on his outlook in life from this death and dying experience that occurred in the City of Compton California **On the Other Side of the Desk** Joel Hilaire, 2005-02 I found it the story at first sad and tragic all the more to be uplifted by its outcome What better ever proof of a miracle of the value of family support of the power of faith of the hand of God of the unpredictability of life All in all it's a wonderful piece to read What's more you make readers care because the woman Jane Williams and her family including the convincing and articulate narrator Dr Henry become real people in readers minds people they know well enough to worry about to cheer for I came to feel thanks to Dr Joel Hilaire's sharp and rich writing that I was one of those people close to the family involved in every down and up event To my mind you achieved exactly what you were after with this extensive true to life story Lou Fisher from Long Ridge Writers Group **The Other Side** Laci Cooper, 2025-04-30 After her young son Rhet was diagnosed with cancer Laci's faith was tested in unimaginable ways Growing up in church and having a foundation of faith she only thought she trusted in God Following a series of devastating setbacks and seemingly unanswered prayers is when she chose to dig deeper in her faith and was challenged to trust God more than ever despite every obstacle they faced Standing on a promise from God Laci and her husband Robbie were met with a life or death decision for Rhet From the darkest of valleys to the mountaintop moments and the many pit stops along the way this story chronicles the journey from surface level faith to surrendering all control and allowing God to do what only He could making a way when there truly seemed to be no way

Experience a front row seat as Laci gives a deeply personal account of the fears their family faced as well as her own haunting battles with doubt fear anxiety and more Through vulnerable conversations with her readers she shines light into the dark places she has walked through and encourages others with how she has witnessed God s faithfulness Be inspired as Rhet courageously triumphed over disease despite all odds and now glorifies God through his testimony of healing and restoration Taking what the enemy meant for harm and turning it for good his journey has opened doors for their family to spread hope to others affected by pediatric cancer through Rhet Cooper s Miracle **The Man of the East Global**

Well timing never had been his strong suit And the fact that Bowie Bravo walked in the door after seven years away just when Glory Rossi was about to go into labor with another man s child certainly proved the point Because the last time Glory had seen Bowie was when she was delivering his child a little boy who d never known his real father But according to Bowie that was about to change Bowie was now a respectable businessman and he was more than ready to be a father to both of Glory s children He was also ready to be a husband to the woman he d never been able to live without And when he saw that their feelings for each other still burned bright he didn t see any reason why he d have to The Works of Thomas Goodwin
