The Old Bay Line, 1840-1940 ... Alexander Crosby Brown, 1940 The Baltimore Steam Packet Company now familiarly knows as the Old Bay Line has for a century run steamers up and down the Chesapeake Bay *Steam Packets on the Chesapeake* Alexander Crosby Brown, 1961 **122 Years on the Old Bay Line** Jack Shaum, 2022-05-23 Old Bay Line is the name by which the Baltimore Steam Packet Company was best known over most of its 122 year history of nightly carrying passengers and freight on Chesapeake Bay between Baltimore and Norfolk These steamers are often mistakenly referred to as ferry boats but they most certainly were not They were large sturdy vessels that operated year round in all kinds of weather They provided reliable on time service for the traveling public and shippers alike in the Chesapeake Bay region The Old Bay Line steamers were famous for their cuisine impeccable service and fine accommodations They were called up for war service during the Civil War and World War I and World War II and several of the company's vessels even crossed the Atlantic and saw action overseas in World War II By the 1950s and 1960s the company was the last of its kind still providing gracious service and by the time it wrapped up operations in 1962 it was the oldest steamship company in the United States
