The Old Spanish Trail:

The Old Spanish Trail Arlan Dean, 2002-12-15 Describes the Old Spanish Trail and the pioneers who settled in California

Old Spanish Trail Leroy R. Hafen, Ann W. Hafen, 1993-01-01 This classic history is filled with colorful pathmarkers like Jedediah Smith John C. Fremont and Kit Carson with packers, homeseekers and mail couriers and with horse thieves and enslavers of Indian women and children

Old Spanish Trail Guide Richard G. Waller, 2017-09-14 In 2014 and 2015 the author with several other riders from the Backcountry Horsemen of America re-rode the Old Spanish Trail from San Bernardino, California to Santa Fe, New Mexico. This is their story and a guide to the route as done by the riders. The Old Spanish Trail is today America's longest National Historic Trail. The volunteers of the Old Spanish Trail Association along with other members of the Backcountry Horsemen of America assisted the riders. This guide is set up as a day-by-day account. Bicyclists, hikers and vehicle users can use it to plan day trips, section trips or the entire 1200-mile trail.

Old Spanish Trail North Branch and Its Travelers Ron Kessler, 1998 The ancient trail from Santa Fe, New Mexico to Crescent Junction near Green River, Utah was a good route for travel for the early settlers. The sixteen diaries or journals in this book give individual perspectives to the adventures and difficulties encountered on these treks.

Overland with Kit Carson George Douglas Brewerton, 2017-01-12 Gold had just been discovered in

California at the close of the Mexican War when Kit Carson started east from Los Angeles with dispatches. Going with him was Lieutenant George Douglas Brewerton who describes their journey over the Old Spanish Trail. It was a torturous route across deserts and mountains requiring the kind of expert survival skills that made Kit Carson famous. The scout who was carrying the news that would begin the rush for gold went as far as Taos where he was reunited with his wife. From there Brewerton joined a wagon train that labored over the Santa Fe Trail to Independence, Missouri. Overland with Kit Carson is a colorful and authentic account of encounters with Indians and white adventurers and of the hazards and hardships that accompanied anyone who undertook such a long journey in a sparsely populated country. Of prime importance to many general readers as well as to historians will be Brewerton's intimate and concrete pictures of Kit Carson. Southwest Review

National Historic Trail Feasibility Study and Environmental

Assessment United States National Park Service, 2018-03-25 Excerpt from National Historic Trail Feasibility Study and Environmental Assessment Old Spanish Trail New Mexico Colorado Utah Arizona Nevada California Pioneered by Mexican trader Antonio Armijo in 1829 the Old Spanish Trail was a horse and burro pack route that connected Santa Fe and Los Angeles. In its early years trappers, slavers, traders, and immigrants used parts or all of the Old Spanish Trail. Other variants of the trail developed as travelers sought adequate water, grazing, shorter distances, smoother terrain, and safer passage. Over time multiple parallel and intertwined routes developed. Many of these routes followed older trails developed by American Indians and later followed by Spanish, Mexican, and other Euro-American explorers. The Old Spanish Trail Ralph Compton, 2007-04-01 An extraordinary saga of the trail-blazing cowboys who made their fortune driving cattle from Texas to the great frontier. Hard-riding Texans were braving mountains, desert, and Indian war for the promise of a golden land called California. Over one million copies of Ralph Compton's Trail Drive novels in print, Missouri was closed to Texas cattle, Santa Fe was closed by murder. Now they had one choice: cross desert, mountains, and hostile Indian land to a place called California. The only riches Texans had left after the Civil War were five million maverick longhorns and the brains, brawn, and boldness to drive them north to where the money was. Now Ralph Compton brings this violent and magnificent time to life in an extraordinary epic series based on the history-blazing trail drives. For the ranchers riding with Rand Hayes, things had gone from bad to worse. The Santa Fe man who'd contracted five thousand head of cattle was dead, murdered by renegades. Now the Texans had a herd of longhorns and only one choice: cross two mountain ranges and the Mojave Desert to

the gold fevered market at Los Angeles A trail blazed by ancient Spaniards this was a route that would lead through a brutal wondrous land where a hostile Ute nation was only one danger the cattle drive faced and California was a shooting war away
