Rothfeld,Suzanne LeVert,1997 This book offers hope to those who want alternatives to shots and pills It offers a menu of alternative treatments including acupuncture Chinese herbal medicine body work massage meditation and more **Allergy and Immunology** John H. Krouse,2002 Written by well known widely published experts this volume is a comprehensive text on otolaryngic allergy and all of its manifestations The contributors thoroughly review relevant basic science describe the diagnostic workup and discuss patient management approaches including environmental management pharmacotherapy immunotherapy nutrition and alternative and complementary therapies A major portion of the book focuses on specific allergic disorders of the ear and respiratory system and related conditions such as ocular allergy latex hypersensitivity chemical sensitivities autoimmune diseases chronic fatigue syndrome and fibromyalgia Each of these chapters discusses treatment strategies in detail using case studies to illustrate key principles of treatment **Allergies** Tony Neilson,2019-06-17 Do you have one or more allergies Do you have a child with allergies Do you have a loved one a parent a sister a brother or another relative that suffers from allergy Is the allergy triggered from breathing in pollen or pollutants or to eating a food or touching a particular substance or being in a particular environment or you aren t sure My name is Tony Neilson and I was born allergic to hundreds and hundreds of animals vegetables and minerals on our planet In fact I suffer allergies year round but I don t live in a plastic bubble I live a fairly normal life and I am able to do so thanks to a combination of medications prescribed by my Allergist a number of over the counter pharmaceuticals available to all of us and numerous techniques I ve discovered over my lifetime techniques

which enable me to minimize my exposure and the severity of allergic reactions every day The information provided to you in this book is focused on providing you with tricks and tips to help you reduce or prevent allergic reactions in your day to day life but as I often suffer from allergic reactions I detail all of the remedial measures I often use Allergies can make your life miserable but there are techniques you can use to improve your experience or the experience of a loved one easy techniques requiring little or no effort regardless of what triggers the allergic reaction By reading this book you can benefit from over 150 techniques I've developed over a lifetime to diminish or to avoid the negative effects of breathing in eating or touching allergens Learn how to protect yourself in environments that trigger sensitivities Any one of these techniques is simple to learn and after trying any out for a while you too may experience improvement and your use of any technique will become a habit Any of these techniques may improve your life or the lives of loved ones for coping with one or more allergies and sensitivities Most of the information in this book has not appeared elsewhere because the majority of books on allergy focus on the treatment of allergy however my focus is on actions you can take to minimize or prevent exposure to allergens The importance of professional medical assessment by a qualified Allergist and the treatments they can administer and the medications they can prescribe is crucial for your good health After all I wouldn't be here if I had not taken full advantage of what my Allergists advised Do not be misled into thinking that the low cost of this book decreases its value to you I chose to price it within reach of all allergy sufferers All of the content of this book is relevant to allergies and sensitivities and you will learn techniques you can employ to improve your enjoyment of life or that of a loved one Major Topics addressed within include Allergies in General The Nature of Allergic Reactions Airborne Allergens Indoors Outdoors Creating Barriers Between Indoors and Outdoors Control Your Sleeping Environment Shopping Entertainment Indoor Environmental Sensitivity Outdoor Plants Flowers Shrubs Trees Food Allergies Genetically Modified Food Joint Pain Allergy Skin Allergies Cleaning Yourself Stress and Skin Rashes Substances for Killing Organisms a Few Stories Becoming the Detective Anger and Allergy Pharmaceuticals List of Medications I Use Prescription Medications Non Prescription Medications Other Products I Use or Have Used New Products and Non Medicinal Methods of Relieving Sinus Congestion In all these topics cover over 100 different subjects and I detail over 150 tips for techniques you can use and you will use to guard yourself against allergens in the air in your food in commercial buildings outdoors and in groups of people In this buffet of tips I believe you will find one or more techniques enabling you or your loved one to take greater control of allergies and increase your enjoyment of life Enjoy and Benefit Tony Neilson
