The Only Bible:

The Only Bible: The King James Version Bruce A. Borders, 2011-08-01 With nearly 100 versions of the Bible in print these days how do we know what is the actual Word of God Does it matter A look at history and facts concerning Bible translations and why the King James Version is the one **You Are Not the Only One** Joyce Gerald, 2015-08-11 This book is a devotional that came from my devotional blog It has devotionals based on personal situations and or circumstances and it came from a need that the Lord placed on my heart as I prayed for individuals The main theme is living theology

Scripture Proofs and Scriptural Illustrations of Unitarianism John Wilson, 1847 **Our Bible** Moses Hull, 1900 The Whole Truth Will Shad, 2001 God explains our true purpose in his own brilliant way You ll never look at the world or the language in the same way again *'Then said the high priest are these things so?' A sermon [on Acts vii, 1, 2] preached before the bishop of Exeter at his visitation* George Buckmaster Gibbons, 1839 *The Protestant Quarterly Review* Joseph Frederick Berg, 1847 The Universalist Leader, 1924 **The Bible's Tare and Blind Spot** Steven Iruthaya, 2012-08 For many of us theology rather than the Bible itself comprises our knowledge of God This knowledge however is a gift from the Holy Spirit In order to find it we must allow the Holy Spirit to direct us when we read the Bible instead of relying upon theologians interpretations The Bible s Tare and Blind Spot takes a hard look at the diverse complex and sometimes incompatible beliefs of various Christian groups Author Steven Iruthaya shares how portions of the Church have misrepresented and misapplied the teachings in the Scriptures over the past two thousand years Through analysis he contends that religious leaders have agendas that they do not always make clear Iruthaya raises a number of significant issues that have caused discussions and controversies throughout the history of the church He briefly explores early middle and modern Christianity s doctrines and then focuses on pertinent topics such as the Holy Spirit the life of Jesus the Ten Commandments and more His conclusions are challenging and for some perhaps provocative An informative treatise on Christianity The Bible s Tare and Blind Spot calls Christians to challenge their long held assumptions and in doing so find greater faith Groans of the Spirit Timothy Matthew Slemmons, 2010-09-10 Groans of the Spirit constitutes a rousing challenge to mainline churches and their practice of preaching In this inventive work Timothy Slemmons calls preachers beyond the formalism of the New Homiletic and beyond the ethical proposals that have arisen in the frustrated struggle to transcend it and toward what the author calls a penitential reformed homiletic This new homiletical proposal is distinctive in that it faithfully adheres to the Christological content of preaching finds its inspiration in the promise of the real presence of Christ and trusts in the ministry of the Holy Spirit from whom alone the power for the renewal of the mainline church shall come This book includes a thorough reconsideration of the infinite qualitative difference between God and humanity in Barth s thought an important critique of Gadamer s reception of Kierkegaard s concept of contemporaneity an undelivered lecture on the content of preaching and two sermons that illustrate Slemmons s important proposals Groans of the Spirit is a long

considered calculated and overdue break with conventional hermeneutics that proposes a vital homiletical pneumatology which draws the art of the sermon out of the ghetto of mere rhetoric and presents it as it truly is as theological reflection of the first order the church's primary language of faith

On the Legacy of Lutheranism in Finland Kaius Sinnemäki, Anneli Portman, Jouni Tilli, Robert H.
