

The Other Hand

Michael White, Bai Jin De

The Other Hand:

On the Other Hand Howard I. Kushner, 2017-09-25 Does being left handed make a person different in any way that matters Since the late Stone Age approximately 10 percent of humans have been left handed yet for most of human history left handedness has been stigmatized In *On the Other Hand* Howard I. Kushner traces the impact of left handedness on human cognition behavior culture and health A left hander himself Kushner has long been interested in the meanings associated with left handedness and ultimately with whether hand preference can even be defined in a significant way As he explores the medical and cultural history of left handedness Kushner describes the associated taboos rituals and stigma from around the globe The words left and left hand have negative connotations in all languages and left handers have even historically been viewed as disabled In this comprehensive history of left handedness Kushner asks why left handedness exists He examines the relationship if any between handedness linguistics and learning disabilities reveals how toleration of left handedness serves as a barometer of wider cultural toleration and permissiveness and wonders why the reported number of left handers is significantly lower in Asia and Africa than in the West Written in a lively style that mixes personal biography with scholarly research *On the Other Hand* tells a comprehensive story about the science traditions and prejudices surrounding left handedness

The Power of Your Other Hand Lucia Capacchione, 2019 Brain researchers have in recent years have discovered the vast untapped potential of the brain's little used right hemisphere Art therapist Lucia Capacchione discovered that our nondominant hand is a direct channel to that potential Her research and fieldwork with people using their other hand provides the raw material for this classic first published in 1988 In workshops and private sessions Lucia has worked with thousands of people employing these techniques to help them become more creative expressive and intuitive in their day to day lives and also experience improved health and greater fulfillment in their relationships Lucia will show you how to Channel the deep inner wisdom of your True Self Change negative attitudes about yourself Unlock creativity Uncover hidden artistic abilities Heal your relationships Through various drawing and writing exercises Lucia Capacchione hopes you will discover the power that lies hidden in your other hand The techniques will help you explore and understand your thoughts and feelings on a completely different level and reconnect with a sense of playfulness you may have left behind in childhood

Follow the Other Hand Andrew I. Cohen, Andy Cohen, 2006-10-03 When Jonathan West tells people he is in the oil business she likes to watch them silently count the dollars he's worth But Jonathan isn't running ExxonMobil or Chevron he's in the olive oil business It's a family business and it's facing a crisis Its mom and pop customers are disappearing and the big supermarkets are a threat The business is troubled and needs an urgent reinvention So what does Jonathan do He engages the services of a consultant who is considered a magician Literally The magician takes Jonathan and his team on a journey of creativity and innovation that helps them to revive and energize their entire business strategy Together they learn how to abandon old assumptions and discover creative new solutions to business And they learn a magic trick or two along
