Whose Body is it Anyway? Cécile Fabre,2006-04-06 In the prevailing liberal ethos if there is one thing that is beyond the reach of others it is our body in particular and our person in general our legal and political tradition is such that we have the right to deny others access to our person and body even though doing so would harm those who need personal services from us or body parts However we lack the right to use ourselves as we wish in order to raise income even though we do not necessarily harm others by doing so even though we might in fact benefit them by doing so Cécile Fabre's aim in this book is to show that according to the principles of distributive justice which inform most liberal democracies both in practice and in theory it should be exactly the other way around that is if it is true that we lack the right to withhold access to material resources from those who need them we also lack the right to withhold access to our body from those who need it but we do under some circumstances have the right to decide how to use it in order to raise income More specifically she argues in favour of the confiscation of body parts and personal services as well as of the commercialization of organs sex and reproductive capacities

The Return of Henry Starr Richard Slotkin,2024-08-06 Wild West lore collides with a life of crime in this biographical novel of the legendary Cherokee outlaw Growing up on Indian Territory in Oklahoma Henry Starr had an illustrious family lineage half Cherokee warriors half western outlaws Inspired by dime store novels and old family tales he began robbing banks to avenge the bitter mistreatment of his people But while Starr's criminal career soon made him a legend it also won him a death sentence That was years ago before a lucky twist of fate set Henry

free But while the world has changed around him the myth of the outlaw Henry Starr lives on Now his best chance at a new life is to work in Hollywood depicting his former self in silent films As Henry is drawn into a glamorized version of his own past it becomes difficult to separate truth from fiction And he soon finds himself returning to the life that made him a notorious icon A fictionalized tale of Henry Starr s dramatic life novelist and historian Richard Slotkin brings authentic period detail to this saga of the frontier *Shell Shock: The Diary of Tommy Atkins* Neil Blower,2011-10-04 This short diary style novel by a British army veteran chronicles the difficulties faced by Tommy a 23 year old squaddie as he desperately tries to conquer post traumatic stress disorder PTSD shell shock His over emotional responses to the stresses of everyday life post office queues a trip to Ikea and his relationship with his family and girlfriend eventually lead to alienation and suicidal urges Told in the vernacular with humour and personal understanding the story highlights the work of the Charity Combat Stress in rehabilitating returning troops **Environmental Justice and the Toxics Release Inventory Reporting Program**

Talking Criminal Justice Michael J Coyle,2013-10-28 The words we use to talk about justice have an enormous impact on our everyday lives As the first in depth ethnographic study of language Talking Criminal Justice examines the speech of moral entrepreneurs to illustrate how our justice language encourages social control and punishment This book highlights how public discourse leaders from both conservative and liberal sides guide us toward justice solutions that do not align with our collectively professed value of equal justice for all through their language habits This contextualized study of our justice language demonstrates the concealment of intentions with clever language use which mask justice ideologies that differ greatly from our widely espoused justice values By the evidence of our own words Talking Criminal Justice shows that we consistently permit and encourage the construction of people in ways which attribute motives that elicit and empower social control and punishment responses and that make punitive public policy options acceptable This book will be of interest to academics students and professionals concerned with social and criminal justice language rhetoric and critical criminology

Basin Street was the Park Avenue of prostitution In 1947 Minnie Tucker runs the last great sporting house in the French Quarter Ruby Smith comes to New Orleans with a new husband and high hopes only to find her marriage is a sham She needs a job and a place to live and Minnie needs an honest bookkeeper so she hires Ruby who easily manages both sets of Minnie s books Ruby is just settling into her new life when she sees Anthony Scapesi son of Don Scapesi head of the local Mafia kill a man As the only witness Ruby knows she must leave town She ends up in Waterproof a backwater on the Mississippi where she thinks she can hide True to her Choctaw heritage Ruby is a woman of few words However she is drawn into small town life Bitsy Verner a self appointed matchmaker wastes no time in introducing her to Sheriff Nate Houston a widower Nate has recently returned from WWII with a piece of shrapnel in his knee He just wants peace and quiet to heal his mind and body However keeping peace in Waterproof isn t easy First there is Bud Garvey the town troublemaker Then there s Luther He is a permanent fixture in the sixth grade and no one expects him to amount to much But when Nate hires him we learn Luther has an uncommon ability to see straight to the heart of a problem On the home front Nate s daughter Carrie is coping with becoming a teenager And finally there s Miss Laura his mother in law who like Bitsy is vitally interested in Nate s love life Nate is attracted to Ruby but prefers to do things on his own terms When Bud Garvey s pickup is stolen he insists that Nate arrest Arlan Walker although it s clear the boy was just in the wrong place at the wrong time Arlan refuses to identify his brother as the driver and the case ends up in court In a fit of anger Judge Swetman commandeers the trial and sentences Arlan to 15 years in Angola the bloodiest maximum security prison in America A brutal killing at the prison prompts Arlan to escape during a hurricane He is presumed dead and when Luther and Carrie find him they persuade Nate to help the boy In the meantime Anthony Scapesi follows Ruby to Waterproof and attempts to silence her Ruby returns to Minnie s In an effort to find her Tony captures Luther and beats him severely Tony demands an answer and finally Luther gives him one However rather than giving Tony what he wants it turns out to be his undoing With Arlan safe and Tony gone Nate goes to New Orleans to meet Ruby at Minnie s and arrives on the night Louis Armstrong comes back to Basin Street where he delivered coal to houses in The District when he was a boy It is a night no one will ever forget
