Social And Cultural Foundations Of Counseling And Human Services Multiple Influences On Self Concept Development:

Social and Cultural Foundations of Counseling and Human Services John J. Schmidt, 2006 Social and Cultural Foundations of Counseling and Human Services addresses the fundamental social and cultural foundations upon which counselors and other helpers develop the knowledge and skill to work effectively with diverse populations A basic premise of this new text is that such foundational knowledge includes learning about self concept development within a cultural and sociological context and about the impact that both individual differences and collectivistic philosophies have on cultural and personal identity It distinctively features a social psychology perspective of diversity complemented by an understanding of self concept theory and its interaction with other models of identity development Highlights of the First Edition Maintains a balanced perspective on the impact of individualistic and collectivistic philosophies on a person's development Utilizes a thorough treatment of social status variables that influence self concept development including race ethnicity sex gender sexual orientation identity family aging spirituality physical ability and disability and social class Provides concrete examples through exercises and narratives to help students understand the impact of specific social and cultural influences on personal development Chapters 5-9 Contains Counseling Inferences sections at the end of every chapter to help summarize chapter content in the context of what it means for practicing counselors and human service providers Provides information on and access to numerous Web sites that contain social and cultural topics Appendix A

Helping Skills for Working with College Students Monica Galloway Burke, Jill Duba Sauerheber, Aaron W. Hughey, Karl Laves, 2016-06-17 A primary role of student affairs professionals is to help college students dealing with developmental transitions and coping with emotional difficulties Becoming an effective helping professional requires the complex integration of intrapersonal interpersonal and professional awareness and knowledge For graduate students preparing to become student affairs practitioners this textbook provides the skills necessary to facilitate the helping process and understand how to respond to student concerns and crises including how to make referrals to appropriate campus or community resources Focusing on counseling concepts and applications essential for effective student affairs practice this book develops the conceptual frameworks basic counseling skills interventions and techniques that are necessary for student affairs practitioners to be effective compliant and ethical in their helping and advising roles Rich in pedagogical features this textbook includes questions for reflection theory to practice exercises case studies and examples from the field
