Spread Of Terror:

World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era James Ciment, 2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts

The Contemporary Law of Targeting Ian Henderson, 2009 This book provides an analysis of the law of targeting during an armed conflict focusing on what is a lawful target what is proportional collateral damage and describing a process by which legal responsibility for targeting decisions can be assessed

Torture, Terrorism, and the Use of Violence (also available as Review Journal of Political Philosophy Volume 6, Issue Number 1) J. Jeremy Wisniewski, 2008-12-18 This journal has been discontinued Any issues are available to purchase separately

The Legal Regime of the International Criminal Court José Doria, Hans-Peter Gasser, M. Cherif Bassiouni, 2009 This impressive and unique collection of essays covers important aspects of the legal regime of the International Criminal Court ICC The volume begins with an analysis of the historical development of the ICC the progressive development of international humanitarian and international criminal law by the ad hoc Tribunals and the work of mixed national international jurisdictions The legal and institutional basis of the ICC is then dealt with in detail including the organs of the ICC war crimes crimes against humanity and crimes of aggression modes of liability before the ICC and defences before the ICC Part III focuses on the court at work including its procedural rules criminal proceedings at the ICC penalties and appeal and revision procedures Part IV deals with the relationship of the ICC with states and international organizations The contributors are established scholars in the field of international criminal and humanitarian law many of whom are practitioners in the various tribunals

International Encyclopedia of Terrorism Martha Crenshaw, John Pimlott, 2015-04-22 This timely reference book places the growing 20th century phenomenon of terrorism in an historical context Starting with the use of assassination in Ancient Greece and including the recent bombing of the American military complex in Dhahran Saudi Arabia this encyclopedia covers the globe in its presentation of all aspects of terrorism history theories of types of and responses to as well methods and techniques There is a chronology of major terrorist events from 1945 an A to Z listing of terrorist groups and leaders a select bibliography and indexes general name and geographical

Reflections on the Law of War Frits Kalshoven, 2007-05-31 The papers collected in this volume span a 35 year period of active involvement in the reaffirmation and development of international humanitarian law A process under that name started in 1971 and ended in 1977 with the adoption of two Protocols Additional to the Geneva Conventions of 1949 one for international and one for internal armed conflicts Subsequent developments brought a narrowing of this gap between international and internal armed conflicts as well as growing recognition of the

interplay between the law of armed conflict and human rights the rediscovery of individual criminal liability for violations of international humanitarian law the introduction of further prohibitions or restrictions on the use of specified weapons and so on In contrast with these positive developments the period was negatively characterised by increasing disrespect not only for some or other minor rule such as what to do with cash taken from a prisoner of war at the time of his capture but for the very principles underlying the entire body of the law of armed conflict respect for the other as a human being and hence humane treatment of prisoners of war and other detainees protection of civilians Throughout the period the author's activities ranged from participation in lawmaking and law interpreting exercises through attempts at explaining the law of armed conflict in its historical context and making propaganda for its faithful implementation to critical or even bewildered observance of actual events The papers brought together here reflect these diverse angles *International Criminal Justice* Roberto

Bellelli,2016-04-22 This volume presents an overview of the principal features of the legacy of International Tribunals and an assessment of their impact on the International Criminal Court and on the review process of the Rome Statute It illustrates the foundation of a system of international criminal law and justice through the case law and practices of the UN ad hoc tribunals and other internationally assisted tribunals and courts These examples provide advice for possible future developments in international criminal procedure and law with particular reference to their impact on the ICC and on national jurisdictions The review process of the Rome Statute is approached as a step of a review process to provide a perspective of the developments in the field since the Statute's adoption in 1998 **Mens Rea at the International**

Criminal Court Geert-Jan Alexander Knoops,2016-11-21 This Volume offers an overview of all aspects of mens rea that may surface before the International Criminal Court ICC The book commences with an introduction of the concept of mens rea and controversies concerning this concept before national courts and ad hoc tribunals This is followed by an examination of the definitional elements of mens rea at the ad hoc tribunals The mens rea requirements for the specific liability modes applied at the ad hoc tribunals will be examined Subsequently definitional aspects of mens rea at the ICC will be discussed and in particular the mens rea requirements for the specific liability modes as provided for in the Rome Statute Separate chapters will address the mens rea requirements for the crimes listed in the Rome Statute war crimes genocide crimes against humanity and the crime of aggression respectively An analysis of customary international law or the standards promulgated by the ad hoc tribunals will be used as examples where the ICC case law is scarce A specific chapter will be devoted to mens rea requirements for political speeches In some cases certain speeches have been said to be catalysts of international crimes Therefore it is relevant to examine how the accused's intent was construed The book will conclude with mens rea defenses in international criminal law which will be specifically applied to the defenses listed in the Rome Statute

Peremptory Norms of General International Law (Jus Cogens) and the Prohibition of Terrorism Aniel Caro de Beer,2019-02-19 Winner of the 2020 ASIL Lieber prize In Peremptory Norms of International Law and Terrorism Jus Cogens

and the Prohibition of Terrorism Aniel de Beer analyses the role of these norms jus cogens norms in the fight against terrorism Jus cogens norms protect fundamental values of the international community are hierarchically superior and non derogable The author argues based on an analysis of the sources of international law that the prohibition of terrorism has become the jus cogens norm of our time She further considers the impact of the status of the prohibition of terrorism as a jus cogens norm on other norms of international law relevant in the fight against terrorism namely the prohibition of torture the right to a fair trial and the prohibition of the inter state use of force The War on Terrorism and the Terror of God Lee Griffith,2004 Uniquely relevant in a world shaken by recent acts of terror this title calls people of faith to the way of peace the Christian response to evil and violence
