Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr. Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for *The San Francisco Chronicle* *Ellery Queen Mystery Magazine* and *The New York Times*. From these resources Mr. Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors. Winner of the 2008 Macavity Awards for Best Mystery Nonfiction. **To Catch a Mirage** John Knights, 2016-12-26 In 1996 I was visited by a man I had come to call the Chameleon and three of his dark suited companions. I recognized Danny Moran the Chameleons personal bodyguard however the other faces were new to me. After introductions to Murray and the Dutchman the Chameleon began his explanation for his visit. Did I know of a drug that would stun a man without any long term effects such as killing him? Could I keep safe a sufferer of emphysema on a long flight in a military jet? Having failed to complete a medical degree some twenty five years earlier I could not even spell emphysema. However I was intrigued by the reference to it and flying and guards who needed to be sedated. Over the next hour or so the details were revealed to me of a plot being financed by the Australian government and a television network to kidnap the financial refugee Christopher Skase from his Mediterranean hideaway and bring him home to answer criminal charges. I have related the story of the kidnap attempt as I saw it unfold and as the Chameleons team revealed the details to me. If I have recorded some aspects wrongly then I am amiss. Where I was not able to ascertain the facts or to check their accuracy I admit I used my imagination to fill in. If I have misrepresented anyone in so doing then I am truly contrite. But it has I hope you agree made for a pretty good yarn. **Catalogue of Title-entries of Books and Other Articles Entered in**
