Baikady,2025 Social Work in an Unequal World offers a comprehensive collection of current global perspectives addressing the complex issues arising at the intersection of inequality and social work The book aims to help social work educators students practitioners and policy makers think critically about the skills and knowledge they need to understand and tackle inequality and provide meaningful help to the people most in need

Routledge Handbook of African Social Work Education Susan Levy,Uzoma Odera Okoye,Pius T. Tanga,Richard Ingram,2024-06-06 This timely Routledge Handbook creates a much needed space to explore what makes social work uniquely African as well as shaping informing and influencing a new culturally relevant era of social work The specific focus on social work education offers approaches to transition away from the hegemony of Western literature knowledge and practice models underpinning African social work education The authors identify what is relevant and meaningful to inform influence and reconceptualise culturally relevant social work curriculum Covering Botswana Cameroon Ethiopia Ghana Guinea Kenya Malawi Nigeria South Africa Tanzania Uganda Zambia and Zimbabwe the Handbook comprises both empirical and conceptual chapters multiple approaches case studies and key debates on social work education It is structured in four parts Approaches to Indigenising Decolonising and Developing Culturally Relevant Social Work Education Social Work Education Evolution across Contexts Embedding Field Practicum into Social Work Education Knowledge Exchange between the Global South and Global North The range of indigenous local knowledge that the Handbook presents is crucial to social work evolving and facilitating for reciprocal learning and knowledge exchange between the Global South and Global North Whilst the context of the Handbook is Africa the topics covered are relevant to a global audience engaged in social justice work across social work social welfare social development and sustainability

Supporting Struggling Students on Placement Jo Finch,2017-03-29 Are you a practitioner supervisor practice educator mentor or university tutor supporting students who are struggling on or failing their practice placement Here is the practical guidance you need Jo Finch draws on both her own experience training Practice Educators and international multi disciplinary research and literature Chapters examine the signs and symptoms of a struggling student emotional impact and emotional processes of decision making and strategies for working effectively with students and academic institutions Reflective exercises enable you to bring these methods to your own practice The ideas here will further knowledge and engender confidence for any teachers assessors and supervisors on courses with a practice learning component

Field Education: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to

consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com) **Field Guide for Research in Community**

Settings M. R. Islam, Niaz A. Khan, Siti H.A.B. Ah, Haris A. Wahab, Mashitah B. Hamidi, 2021-05-28 This insightful book offers practical advice to fieldworkers in social research enabling robust and judicious applications of research methods and techniques in data collection It also outlines data collection challenges that are commonly faced when working in the field

Higher Education Classrooms as Places for Inquiry: Stories and Methods from Practitioner Researchers Logan, Stephanie R., Lyons, Emily, 2025-07-29 In higher Education classrooms the transmission of knowledge is vital in intellectual growth In this era of rapid social and global change fostering a culture of inquiry in a classroom is essential to engage students These learning environments encourage students to question assumptions and engage in diverse perspectives Higher education classrooms can be intentionally designed and facilitated as dynamic spaces for inquiry empowering students to take ownership of their learning and contribute meaningfully to academic and societal discourse Higher Education Classrooms as Places for Inquiry Stories and Methods from Practitioner Researchers explores similar ethical epistemological and political issues raised across different research genres This book presents an array of practitioner research genres from action participatory action research teacher research self study the scholarship of teaching and learning and more Covering topics such as digital learning practitioner inquiry and teaching experiences this book is an excellent resource for educators administrators policy makers pre service educators researchers academicians and more

Routledge International Handbook of Nurse Education Sue Dyson, Margaret McAllister, 2019-11-26 While vast numbers of nurses across the globe contribute in all areas of healthcare delivery from primary care to acute and long term care in community settings there are significant differences in how they are educated as well as the precise nature of their practice This comprehensive handbook provides a research informed and international perspective on the critical issues in contemporary nurse education As an applied discipline nursing is implemented differently depending on the social political and cultural climate in any given context These factors impact on education as much as on practice and are reflected in debates around the value of accredited programmes and on the job training apprenticeship undergraduate and postgraduate pathways into nursing Engaging with these debates amongst others the authors collected here discuss how through careful

design and delivery of nursing curricula nurses can be prepared to understand complex care processes complex healthcare technologies complex patient needs and responses to therapeutic interventions and complex organizations The book discusses historical perspectives on how nurses should be educated contemporary issues facing educators teaching and learning strategies the politics of nurse education education for advanced nursing practice global approaches and educating for the future Bringing together leading authorities from across the world to reflect on past present and future approaches to nurse education and nursing pedagogy this handbook provides a cutting edge overview for all educators researchers and policy makers concerned with nurse education

Greening Social Work Education Susan Hillock,2024-03-01 Despite urgent calls for global action sustainable social work practice and a solid green theoretical knowledge base North American social work and helping professions have been slow to learn from community activists acknowledge the international climate emergency and act collectively to achieve climate justice Greening Social Work Education examines how social work educators can best incorporate sustainability content into social work curricula integrate green teaching methods and mobilize students and colleagues towards climate action justice and leadership Drawing on Canadian content this collection highlights Indigenous eco feminist collective action and multi interdisciplinary approaches to social work The book provides a rationale for why the topic of greening is important for social work and the helping professions discussion of current debates tensions and issues useful ideas related to innovative interdisciplinary theoretical approaches analyses and constructs and practical recommendations for teaching green social work education In doing so Greening Social Work Education strives to help social workers and educators gain the confidence and tools they need to transform their teaching and curricula

Learning to Practise Social Work Mark Doel,2002 This text deals with current issues in practice teaching and learning in social work drawing together the knowledge and experiences of those from different countries working in a variety of social work settings

The Palgrave Handbook of Global Social Work Education Sajid S.M.,Rajendra Baikady,Cheng Sheng-Li,Haruhiko Sakaguchi,2020-10-23 This handbook addresses the issues and challenges of the delivery of social work education in the contemporary world It provides an authoritative overview of the key debates switching the lens away from a Western centric focus to engage with a much broader audience in countries that are in the process of modernization and professionalization alongside those where social work education is more developed Chapters tackle major challenges with respect to curriculum teaching practice and training in light of globalization providing a thorough examination of the practice of social work in diverse contexts This handbook presents a contribution to the process of knowledge exchange which is essential to global social work education It brings together professional knowledge and lived experience both universal and local and aims to be an essential reference for social work educators researchers and students

Human Rights-Based Approach to Short-Term Study Abroad Karen Rice,Heather Girvin,2021-10-26 Short term study abroad experiences are on the rise across social work programs This increase is fueled by the Educational Policy and Accreditation Standards of the

Council on Social Work Education CSWE that social work programs graduate students who are ready to engage diversity and function ethically as global citizens who understand mechanisms of oppression With the increasing number of short term study abroad trips this brief offers a framework that provides strategies for empowering the populations and communities in which these trips occur Developing short term study abroad trips from a human rights based framework rather than a needs based approach is urgent and necessary as the community in which the visit will occur is placed at the center of planning efforts and its members become equal and active participants The brief is accessible and relevant to both instructors and students with thoughtful emphasis placed in each chapter to align with the needs of each group more distinctly It is conceived with both travel based field education and classroom learning pre trip preparation in mind Though developed with more depth theory and evidence than a how to manual the brief serves as an exemplary guide that prepares those engaging in short term study abroad trips with information and strategies that are derived from the key concepts of a rights based approach to field education Human Rights Based Approach to Short Term Study Abroad is essential reading that engages students and faculty with case examples to illuminate the complex concepts that are taught by faculty as well as specific exercises and assignments to guide both faculty and student through the process of developing and implementing short term study abroad trips This brief is of immediate relevance for undergraduate and graduate coursework in field education international social work human rights global social work and macro social work as well as useful for any practitioner seeking CSWE accreditation
