Grammar in ELT and ELT Materials Graham Burton, 2023-06-06 This book investigates the content of the grammar syllabus typically employed in mainstream English Language Teaching Using a mixed methods approach the author examines how the syllabuses used in coursebooks are actually constructed how they evolved and how valid their contents are as a basis for teaching The research reported consists of a broad exploration of primary sources in order to outline the evolution of ELT pedagogical grammar ten interviews with key ELT authors and publishing professionals which allows for the investigation of the decision making processes underlying the choice of grammar content in ELT teaching materials and finally the presentation of case studies which examine three areas of grammar analysing the evolution of their treatment in ELT materials both historical and contemporary and comparing their current treatment to data on real learner use This book contributes to the literature on syllabus design and pedagogical grammar and builds on existing research into materials design It will be of interest to researchers and professionals working in the fields of applied linguistics pedagogical grammar curriculum design and materials design Commonwealth of Letters Peter J. Kalliney, 2013-09-19 Peter Kalliney's original archival work demonstrates that metropolitan and colonial intellectuals used modernist theories of aesthetic autonomy to facilitate collaborative ventures **Imperial Encore** Caroline Ritter, 2021-01-26 In the 1930s British colonial officials introduced drama performances broadcasting services and publication bureaus into Africa under the rubric of colonial development They used theater radio and mass produced books to spread British values and the English language across the

continent This project proved remarkably resilient well after the end of Britain's imperial rule many of its cultural institutions remained in place Through the 1960s and 1970s African audiences continued to attend Shakespeare performances and listen to the BBC while African governments adopted English language textbooks produced by metropolitan publishing houses Imperial Encore traces British drama broadcasting and publishing in Africa between the 1930s and the 1980s the half century spanning the end of British colonial rule and the outset of African national rule Caroline Ritter shows how three major cultural institutions the British Council the BBC and Oxford University Press integrated their work with British imperial aims and continued this project well after the end of formal British rule Tracing these institutions and the media they produced through the tumultuous period of decolonization and its aftermath Ritter offers the first account of the global footprint of British cultural imperialism

Migrants of the British diaspora since the 1960s A. James

Hammerton,2017-07-21 This is the first social history to explore experiences of British emigrants from the peak years of the 1960s to the emigration resurgence of the turn of the twentieth century It explores migrant experiences in Australia Canada and New Zealand alongside other countries The book charts the gradual reinvention of the British diaspora from a postwar migration of austerity to a modern migration of prosperity It offers a different way of writing migration history based on life histories but exploring mentalities as well as experiences against a setting of deep social and economic change Key moments are the 1970s loss of Britons privilege in Commonwealth destination countries Thatcher's refugees in the 1980s and shifting attitudes to cosmopolitanism and global citizenship by the 1990s It charts a long process of change from the 1960s to patterns of discretionary and nomadic migration which became more common practice from the end of the twentieth century
