Social Work with Children and Their Families Christopher G. Petr, 2003-09-18 An extensively revised version of the first edition this text focuses on the practical foundational knowledge required to practice social work effectively in the complex and fast changing world of services to children and their families The core organizing framework consists of eight pragmatic perspectives combating adultcentrism family centered practice the strengths perspective respect for diversity and difference the least restrictive alternative ecological perspective organization and financing and achieving outcomes Unlike most texts that focus either on direct practice or on policy Petr s revised volume integrates current policy including recent reform efforts with best practices The student thus gains a deep appreciation for how direct social work practice is linked to and even guided by contemporary policy initiatives and the values that underscore those initiatives Two new chapters are devoted specifically to the fields of child welfare and children s mental health providing an overview of the laws policies practices and terminology pertaining to each setting The next eight chapters focus on each pragmatic perspective and its relevance to child welfare and children s mental health The in depth case studies that comprise the concluding two chapters illustrate how typical client situations can be successfully addressed within the context of the pragmatic perspectives Packed with case studies specific practice instruction chapter summaries and suggested learning activities this book prepares students and practitioners to think and act professionally in ways that are consistent with current laws values policies and reform efforts in the field

Social Work At The Millennium Robert Morris, 2007-09-12 For the last century social workers have attended to those in need and sought to improve the social and economic conditions of the disadvantaged At the dawn of a new century the country s leading social work practitioners and educators have come together in one stellar volume to assess the successes and failures of the field in its first hundred years They lay out the road social work must take to face the challenges ahead Along with two chapters by the editors June Gary Hopps and Robert Morris Social Work at the Millennium includes ten chapters from an exceptionally strong group of contributors offering a range of interpretations of the future of social work By looking with a critical eye at the past century and at the present day the authors come to varying conclusions that will stir debate within the field for years to come But all agree that social workers need a place at the policy drafting tables as well as in the human services triage rooms and that

much work needs to be done to ensure that this happens Social Work at the Millennium presents the top voices of the social work field as they begin to craft the future of the profession and issues a challenge to social workers students scholars and policy makers to continue the discussion to shape a better future for the profession and the people it serves *The Foster Care Crisis* Patrick Almond Curtis,Grady Dale,Joshua C. Kendall,1999-01-01 The inadequacy of the foster care system has long been recognized One of the biggest obstacles to reforming the system is the relative unavailability of research data from the field information that would shed light on key empirical trends and pressing issues This long overdue volume provides a much needed overview of the current state of foster care Leading researchers and practitioners summarize and discuss the results of their current research providing through their data an unparalleled detailed glimpse of the inner workings of the foster care system in its entirety The volume is also valuable for its survey and syntheses of important issues and trends affecting foster care Subjects discussed include welfare reform reporting systems family reunification mental health services and the needs of minority children Wide ranging and detailed in its coverage this collection is destined to become an essential reference and guide to the foster care system **Children in Family Contexts** Lee

Combrinck-Graham,2013-12-17 Now in a fully revised and updated second edition this text and professional resource provides a practical guide to family based therapy for childhood emotional and behavioral problems Presented are innovative assessment and treatment strategies that take into account children s developmental needs different family forms health and environmental challenges and relationships with larger systems Reflecting 15 years of clinical advances and the changing contexts of family life the second edition features many new chapters and new authors New topics include gene environment interactions integrating family therapy with child pharmacotherapy working with foster families and treating disrupted attachments **Children in State Care** June Thoburn,2017-03-02 This volume brings together a selection of the most

influential and informative English language refereed journal articles on children in out of home care their birth relatives and carers The articles which include empirical research and critiques of policy and practice are mainly from the UK and USA but include some coverage of child placement policy and practice in Australia and mainland Europe The volume starts with a joint introductory chapter by the two distinguished authors one American one British reviewing the state of knowledge on children in care and drawing attention to other important sources not included as chapters *Group Care Practice with Children and Young People Revisited* Leon C. Fulcher, Frank Ainsworth,2012-12-06 Find out how group care for children has changed in the last 20 years Group Care Practice with Children and Young People Revisited focuses on the core issues that shape the quality of care that s provided in institutional and residential care settings as well as day care services that rely on the group process Leading authorities on residential group care practice from around the world examine practice concepts centered on three broad themes working directly with children working indirectly to support children and their families and organizational influences on practice This unique book offers valuable insights for dealing with the daily challenges of

working with young people in responsive group care Group Care Practice with Children and Young People Revisited builds on contemporary themes that were explored by the editors more than 20 years ago in Group Care for Children Concept and Issues and Group Care Practice with Children both out of print Contributors to this updated collection put a fresh spin on the original material as well as cross cultural analysis from both sides of the Atlantic Australia and New Zealand Malaysia China and the United Arab Emirates They revisit the key issues identified in the earlier books and provide personal and professional reflections on what has happened to their practice themes since the early 1980s Special attention is paid to how social policy imperativesnormalization de institutionalization mainstreaming least restrictive environment minimal intervention and diversionhave reshaped the field group care methods and skills needed for direct and indirect care and group care as an occupational Group Care Practice with Children and Young People Revisited examines and re examines the relationships between group care practice and education how group care programs can become hostile to families primary care in secondary settings the importance of shared language in a group care center group development how group composition can influence the overall functioning of the group managing occupational stresses in group care practice patterns of career development in child and youth care economic influences that impact group care challenges facing the future of group care services for children and much more Group Care Practice with Children and Young People Revisited is a must read for youth case workers child and youth care educators and anyone working in child welfare including youth justice managers administrators and policymakers

Family-focused Practice in Out-of-home Care Dennis J. Brazier,1996 Family Focused Practice in Out of Home Care provides practical hands on support to help agencies bring a family focus to their policy administrative and program structures It goes further to describe an agency s process of change from a traditional out of home care agency to one that develops and improves relationships with families of children in care **Brecht Sourcebook**

Henry Bial,Carol Martin,2005-08-08 A fascinating anthology that brings together in one volume many of the most important articles written about Brecht between 1957 and 1997 These essays are an ideal companion to Brecht s plays Children with Parents in Prison Creasie Hairston,2017-09-04 Adults are being incarcerated in the United States at an ever escalating rate and child welfare professionals are encountering growing numbers of children who have parents in prison Current estimates indicate that as many as 1 5 million children have an incarcerated parent many thousands of others have experienced the incarceration of a parent at some point in their lives These vulnerable children face unique difficulties and their growing numbers and special needs demand attention Existing literature indicates that children whose parents are incarcerated experience a variety of negative consequences particularly in terms of their emotional health and well being They also may have difficult interactions or limited contact with their parents There are also issues connected with their physical care and child custody The many challenges facing the child welfare system as it attempts to work with this population are explored in Children with Parents in Prison Topics covered include Supporting Families and Children of

Mothers in Jail Meeting the Challenge of Permanency Planning for Children with Incarcerated Mothers The Impact of Changing Public Policy on Relatives Caring for Children with Incarcerated Parents Legal Issues and Recommendations Facilitating Parent Child Contact in Correctional Settings Earning Trust from Youths with None to Spare Developing Quality Services for Offenders and Families and in closing Understanding the Forces that Influence Incarcerated Fathers Relationships with Their Children Children and families have long struggled with the difficulties created when a parent goes to prison What is new is the magnitude of the problem This volume calls for increased public awareness of the impact of parental incarceration on children Its goal is to stimulate discussion about how to best meet the special needs of these children and families and how to provide a resource for the child welfare community as it responds to Cabell's Directory of Publishing Opportunities in Educational Curriculum and Methods ,2002
