*Historical Dictionary of the Civil Rights Movement* Christopher M. Richardson, Ralph E. Luker, 2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of *Historical Dictionary of the Civil Rights Movement* is a guide to the history of the African American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement

Black Feelings Lisa M. Corrigan, 2020-02-25 Honorable Mention Recipient of the 2021 Marie Hochmuth Nichols Award for Outstanding Scholarship in Public Address by the National Communication Association In the 1969 issue of *Negro Digest* a young Black Arts Movement poet then named Ameer Amiri Baraka published *We Are Our Feeling* The Black Aesthetic Baraka's emphasis on the importance of feelings in Black selfhood expressed a touchstone for how the Black liberation movement grappled with emotions in response to the politics and racial violence of the era In her latest book award winning author Lisa M Corrigan suggests that Black Power provided a significant repository for negative feelings largely Black pessimism to resist the constant physical violence against Black activists and the psychological strain of political disappointment Corrigan asserts the emergence of Black Power as a discourse of Black emotional invention in opposition to Kennedy era white hope As integration became the prevailing discourse of racial liberalism shaping midcentury discursive structures so too did racial feelings mold the biopolitical order of postmodern life in America By examining the discourses produced by Martin Luther King Malcolm X Stokely Carmichael Huey Newton Eldridge Cleaver and other Black Power icons who were marshaling Black feelings in the service of Black political action Corrigan traces how Black liberation activists mobilized new emotional repertoires

Educating through Popular Culture Edward Janak, Ludovic A. Sourdut, 2017-03-01 This edited volume serves as a place for teachers and scholars to begin seeking ways in which popular culture has been effectively tapped for research and teaching purposes around the country The contents of the book came together in a way that allowed for a detailed examination of teaching with popular

culture on many levels The first part allows teachers in PreK 12 schools the opportunity to share their successful practices The second part affords the same opportunity to teachers in community colleges and university settings The third part shows the impact of US popular culture in classrooms around the world The fourth part closes the loop to some extent showing how universities can prepare teachers to use popular culture with their future PreK 12 students The final part of the book allows researchers to discuss the impact popular culture plays in their work It also seeks to address a shortcoming in the field while there are outlets to publish studies of popular culture and outlets to publish pedagogical practitioner pieces there is no outlet to publish practitioner pieces on studying popular culture in spite of the increased popularity and legitimacy of the field

**American Educational Research Association Annual Meeting Program** American Educational Research Association, 1994 **Resources in Education**, 1997 **Literacy and Racial Justice** Catherine Prendergast, 2003

In anticipation of the fiftieth anniversary of the landmark Brown v Board of Education decision Catherine Prendergast draws on a combination of insights from legal studies and literacy studies to interrogate contemporary multicultural literacy initiatives thus providing a sound historical basis that informs current debates over affirmative action school vouchers reparations and high stakes standardized testing As a result

of Brown and subsequent crucial civil rights court cases literacy and racial justice are firmly enmeshed in the American imagination so much so that it is difficult to discuss one without referencing the other Breaking with the accepted wisdom that the Brown decision was an unambiguous victory for the betterment of race relations Literacy and Racial Justice The Politics of Learning after Brown v Board of Education finds that the ruling reinforced traditional conceptions of literacy as primarily white property to be controlled and disseminated by an empowered majority Prendergast examines civil rights era Supreme Court rulings and immigration cases spanning a century of racial injustice to challenge the myth of assimilation through literacy Advancing from Ways with Words Shirley Brice Heath s landmark study of desegregated communities Prendergast argues that it is a shared understanding of literacy as white property which continues to impact problematic classroom dynamics and education practices To offer a positive model for reimagining literacy instruction that is truly in the service of racial justice Prendergast presents a naturalistic study of an alternative public secondary school Outlining new directions and priorities for inclusive literacy scholarship in America Literacy and Racial Justice concludes that a literate citizen is one who can engage rather than overlook longstanding legacies of racial strife **Annual Meeting Program**

American Educational Research Association,1995 **Rethinking Popular Culture and Media** Elizabeth Marshall,Özlem Sensoy,2011 A provocative collection of articles that begins with the idea that the popular in classrooms and in the everyday lives of teachers and students is fundamentally political This anthology includes articles by elementary and secondary public school teachers scholars and activists who examine how and what popular toys books films music and other media teach The essays offer strong critiques and practical pedagogical strategies for educators at every level to engage with the popular

Teachers, Teaching, and Media ,2019-06-24 Popular representations of teachers and teaching are easy to take for granted precisely because they are so accessible and pervasive Our lives are intertextual in the way lived experiences overlap with the stories of others presented to us through mass media It is this set of connected narratives that we bring into classrooms and into discussions of educational policy In this day and time with public education under siege by forces eager to deprofessionalize teaching and transfer public funds to benefit private enterprises we ignore the dominant discourse about education and the patterns of representation that typify educator characters at our peril This edited volume offers a fresh take on educator characters in popular culture and also includes important essays about media texts that have not been addressed adequately in the literature previously The 15 chapters cover diverse forms from literary classics to iconic teacher movies to popular television to rock n roll Topics explored include pedagogy through the lenses of gender sexuality race disability politics narrative archetypes curriculum teaching strategies and liberatory praxis The various perspectives represented in this volume come from scholars and practitioners of education at all levels of schooling This book is especially timely in an era when public education in the United States is under assault from conservative political forces and undervalued by the general public Contributors are Steve Benton Naeemah Clark Kristy Liles Crawley Elizabeth Currin Mary

Scott, Barbara Purdum-Cassidy, 2016-08-17 The nation's demographic of public schools are more ethnically racially and linguistically diverse than ever before Strauss 2014 However there are still educational policies and practices that call to question whether traditionally marginalized students receive an equitable education This is demonstrated in national achievement trends which highlight disproportionality ratings among minoritized student groups Also when examining school discipline policies expulsion ratings special education services and school choice movements all seem to handicap educational opportunity for low income Black and Brown students As American schools become more and more diverse it is imperative that the literacy practices used to teach young students of color reflect the nation's changing demographic This book provides practical insights guided by conceptual and contextual knowledge in understanding how to teach urban African American and Hispanic Latino students by discussing issues associated with critical pedagogies literacy and culturally appropriate instructional strategies that have demonstrated success for traditionally marginalized student populations This book examines culturally affirming literacy practices from three main components 1 scholarship 2 the field of practice and 3 teacher education models Each of these three are significant in understanding how to teach minoritized populations As such chapters have been organized into three main sections that address scholarship and research trends in the field and implications for teacher education models all in order to advance the literacy achievement of African American and Hispanic Latino students      **Change Is Gonna Come** Patricia A. Edwards, Gwendolyn Thompson McMillon, Jennifer D. Turner, 2015-04-17 While many books decry the crisis in the schooling of African American children they are often disconnected from the lived experiences and work of classroom teachers and principals In this book the authors look back to move forward providing specific practices that K 12 literacy educators can use to transform their schools The text addresses four major debates the fight for access to literacy supports and roadblocks to success best practices theories and perspectives on teaching African American students and the role of African American families in the literacy lives of their children Throughout the authors highlight the valuable lessons learned from the past and include real stories from their own diverse family histories and experiences as teachers parents and community members      *Democracy's Children* John McGowan, 2018-03-15 How do American intellectuals try to achieve their political and social goals By what means do they articulate their hopes for change John McGowan seeks to identify the goals and strategies of contemporary humanistic intellectuals who strive to shape the politics and culture of their time In a lively mix of personal reflection and shrewd analysis McGowan visits the sites of intellectual activity scholarly publications professional conferences the classroom and the university and considers the hazards of working within such institutional contexts to effect change outside the academy *Democracy's Children* considers the historical trajectory that produced current intellectual practices McGowan links the

growing prestige of culture since 1800 to the growth of democracy and the obsession with modernity and explores how intellectuals became both custodians and creators of culture Caught between fears of culture s irrelevance and dreams of its omnipotence intellectuals pursue a cultural politics that aims for wide ranging social transformations For better or worse McGowan says the humanities are now tied to culture and to the university The opportunities and frustrations attendant on this partnership resonate with the larger successes and failures of contemporary democratic societies His purpose in this collection of essays is to illuminate the conditions under which intellectuals in a democracy work and at the same time to promote intellectual activities that further democratic ideals

**The Culture and Politics of Contemporary Street Gang Memoirs** Josephine Metcalf, 2012-06-22 The publication of Sanyika Shakur s *Monster The Autobiography of an L A Gang Member* in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf focuses on three of these memoirs Shakur s *Monster* Luis J Rodriguez s *Always Running La Vida Loca Gang Days in L A* and Stanley Tookie Williams s *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams s editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs shape the works The book also explores how the memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression

**MultiCultural Review** ,1996 *Critical Multicultural Education* Christine E. Sleeter, 2024 Over time many people have come to understand and enact multicultural education in ways that evade grappling directly with racism This collection addresses this problem with ten articles by Christine Sleeter that explicitly locate multicultural education within critical understandings of race racism and colonialism offering both theoretical and practical discussions of what that means

**Inside City Schools** Sarah Warshauer Freedman, 1999 Here a national team of teacher researchers address the difficult issues of race and ethnicity in the classroom Experienced English and social studies teachers from four multicultural settings Boston Chicago New Orleans and San Francisco grapple with how best to meet the literacy learning needs of an increasingly diverse school population They deal with a variety of real issues within a culturally responsive framework such as *Confronting issues of race and ethnicity in literature within*

classrooms and in a larger community Helping students deal with neighborhood violence and conditions of poverty Designing a multicultural curriculum Creating an emotionally safe classroom Fostering peer relations among faculty members
