Emerson, Christopher W. Morgan, R. Lucas Stamps, 2020-06-15 In Baptists and the Christian Tradition editors Matthew Emerson Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other **Trained in the Fear of God** Randy Stinson, Timothy Paul Jones, Dr Randy Stinson and Dr Timothy Paul

Jones have been the primary architects of the theological foundations for what has become known as family equipping ministry a recognition that the generations need one another and that parents have an inherent responsibility for the discipleship of their children **Glory to the Three Eternal** Michael A. G. Haykin, Roy M. Paul, Jeongmo Yoo, 2019-08-29 This is the first critical study of the writings of the English Particular Baptist Benjamin Beddome 1718 1795 whose evangelical ministry stretched over the last half of the eighteenth century Best known in the years following his death as a capable hymn writer he was also a significant doctrinal preacher John Newton who had heard such preachers as John Wesley and George Whitefield considered Beddome one of the finest preachers of his day The articles in this critical study examine his sermons to delineate Beddome's view of God Christ and the Holy Spirit as well as his position on the free offer of the gospel a central issue among the Particular Baptists of his day His important contribution to Christian hymnody is also detailed A must read for those interested in eighteenth century evangelical thought Just as I Am David C. Hacker, This book examines the relationship between the conversion theology popularized by Charles Grandison Finney and the

theological drift of Baptists in the South from Calvinism to Arminianism It begins with a survey of the historical evidence of the Calvinistic roots of Baptists in the South by way of a brief overview of Baptist origins in England followed by an overview of Baptist life in America including the founding of the first Baptist church in the colonies in the seventeenth century developments in Baptist soteriology in the eighteenth and nineteenth centuries and concluding with trends that emerged in the twentieth century Next an overview of the traditional or Calvinistic Baptist view of conversion that was the majority view prior to the mid nineteenth century which provides a brief contrast of the two predominant views held by evangelicals Arminianism and Calvinism and demonstrates how uncommon the views of conversion popularized in the mid to late nineteenth century had been previously The remainder of the book focuses on the conversion theology of Finney and the opposition from his contemporaries by analyzing Finney s rejection of reformed orthodoxy and the use of the means of grace his views that revival and conversion are of human rather than divine origin his departure from the Edwardsean theological tradition he had inherited his Pelagian and semi Pelagian tendencies his conflation of backsliders with false professors and the fact that he propagates and popularizes existing error rather than inventing new a theology or methodology Next is a survey of the effects of Finney s theology on Southern Baptists and evangelicalism as a whole under the following headings Finney s polemical rewriting of history and its impact on subsequent generations the effects of revivalism and the specific effects of Finney s theology on Baptists the understanding of God and His role in conversion and church practice The book wraps up with a summary of the lingering effects of Finney s Pelagian theology on the church today which concludes that Finney s influence on Baptists in the South was part of the theological shift from their Calvinistic roots to Arminianism as the dominant theology and ends with practical and pastoral applications for the church today

Nine Marks of a Healthy Church Mark Dever, 2004 Did you

know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That s like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don t use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog s mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn t always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn t want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5 17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ

Theology and Practice of Mission Bruce Riley Ashford, 2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing *Theology and Practice of Mission* provide a clear biblical theological framework for understanding the church s mission to the nations Toward that goal the book holds three major sections God s mission the church s mission and the church s mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a

new heaven and earth is communicated in the Bible's four movements Creation Fall Redemption and Restoration Part two sees the mission of God's people in the light of God's mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God's disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns

Nine Marks of a Healthy Church (3rd Edition) Mark Dever, 2013-08-31 Now in its third edition and featuring a new foreword by New York Times best selling author David Platt pastor Mark Dever's classic book is not an instruction manual for church growth Rather it is a wise pastor's recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today's congregations Church leaders and church members alike will resonate with the principles outlined here breathing new life and health into the church at large In this newly revised edition fresh arguments have been added for example on expositional preaching about the nature of the gospel on complementarianism illustrations have been updated appendices have been changed and cover has been improved

Race and Redemption in Puritan New England Richard A. Bailey, 2011-04-22 While much has been written about race in early America scholars have generally focused on the southern colonies in the 18th century Here Bailey turns his gaze northward and to an earlier period to the origins of puritan New England and contends that as colonial New Englanders offered spiritual redemption to their neighbors they began creating raced identities for their Native American and African neighbors
