

5

essential ways to HELP YOUR CHILD STAND UP TO peer pressure

BY THIS TIME OF MINE

1 FORMAL DISCUSSIONS

Dedicate a little time each week to intentionally teaching about your family's values and morals. Prepare a topic in advance, or have your child prepare and teach the family.

2 INFORMAL DISCUSSIONS

Casual conversations and relaxed settings can help kids feel more comfortable, especially when talking about difficult topics.

- **Bonus Tip** - Use distraction. Kids are often more receptive when they have something to do with their bodies (going on a walk, sharing a snack, etc.)

3 EVERYDAY TEACHING MOMENTS

Take advantage of everyday experiences. Talk with your child about what happened and brainstorm ways to handle different situations they encounter in:

- Movies
- TV shows
- School scenarios
- News or current events
- Books
- Social interactions

4 ROLEPLAY

As a family, act out and discuss different situations where your child might feel pressured or have to make difficult decisions. Preparing beforehand will help them feel confident in challenging settings.

5 USE A JOURNAL

Your child might encounter situations they don't feel comfortable talking about face to face. Try starting a journal so they can write down questions or concerns and later read your written responses.

Teaching Your Child To Handle Peer Pressure

Julia Schneider

Teaching Your Child To Handle Peer Pressure:

Yeah, reviewing a book **Teaching Your Child To Handle Peer Pressure** could amass your near connections listings. This is just one of the solutions for you to be successful. As understood, finishing does not recommend that you have fantastic points.
