Using Story to Enrich Learning and Teaching Jennifer A. Moon, 2010-06-28 Story is everywhere in human lives and cultures and it features strongly in the processes of teaching and learning Story can be called narrative case study critical incident life history anecdote scenario illustration or example creative writing storytelling it is a unit of communication it is in the products of the media industries in therapy and in our daily acts of reflecting Stories are told in many ways they are spoken written filmed mimed or acted presented as cartoons and in new media formats and through all these they are associated with both teaching and learning processes but in different ways and at different levels As a result of growing interest and simultaneous confusion about story it is timely to untangle the various meanings of story so that we can draw out and extend its value and use Using Story aims to clarify what we mean by story to seek out where story occurs in education and life and to explore the processes by which we learn from story In this way the book intends to bring story into the open and improve its use Building on her wealth of experience in the field Jenny Moon explores the theory of story and demonstrates both its current uses and new ways in which to enrich and enliven teaching learning and research processes Ideal for anyone involved in education personal or professional development or with a more general interest in story the book begins by considering the range of what is meant by story and then considers the theory behind the meanings In the large final part of the book Jenny provides a rich patchwork of different uses of story in education that cut across forms of story story activities disciplines and applications all of which will aid the use of story

How to Teach Story Writing at Key Stage 1 Pie Corbett, 2017-07-18 How to Teach Story Writing at Key Stage 1 is a practical manual for teachers to be used directly in the classroom The book begins with a series of language games designed to warm up creativity and strengthen the imagination This is followed by a series of creative story workshops based on the writer's own experience both as a teacher and poet

Teaching as Story Telling Kieran Egan, 1989-01-23 An eminently practical guide Teaching as Story Telling shows teachers how to integrate imagination and reason into the curriculum when planning classes in social studies language arts mathematics and science In his innovative book Kieran Egan refashions the ancient function of the storyteller

with such clarity that any teacher can step into the role with confidence Not only does Egan s book make the reader look anew at what is too often taken for granted about the ways in which children learn it opens up a range of critical questions about our orientation to objectives and to either ors when it comes to the affective and the cognitive Back cover **The Master Library: Using and teaching the Bible** Walter Scott Athearn,1927 Whoever Tells the Best Story Wins Annette Simmons,2007 Most people have been conditioned to believe that business communication must be clear rational and objective with no place for emotion or subjective thinking Yet the most powerful persuasive communication has a human element often delivered simply and personally through the telling of stories This book shows readers how to use personal stories to get their ideas across and create meaningful connections between themselves and their audience Moving beyond the usual speech openers or ice breakers the book gives readers a process for finding developing and using their own stories including how to gain people s trust use six different kinds of stories shift from everyday thinking into story thinking help shape group decisions and actions Filled with enlightening anecdotes this practical guide gives readers the tools they need to persuade inspire and influence others through the power of story CEO Refresher The Best Books of 2007 **Joan and Peter I : the story of an education** Herbert George Wells,1927 **The Power of Story** Rives Collins,Pamela J.
