## **Teaching Young Adults A Handbook For Teachers In Further Education:**

*Teaching Young Adults* Trevor Dawn, Joe Harkin, Gill Turner, 2013-07-04 Further and Higher Education in the UK has expanded greatly in recent years bringing into education large numbers of young people who present teachers with new challenges At the same time there is an immense pressure to improve the quality of learning and teaching and to encourage students to be active participants in the process This book is aimed at teachers aspiring teachers and other professionals in upper secondary schools further education colleges and universities who wish to increase learner motivation and to create opportunities for greater learner autonomy It will relate learning theory to practice provide practical help for teachers to understand how they tend to interact with students suggest how they may build a repertoire of teaching styles that foster sharing of responsibility with learners for more effective learning *A Lecturer'S Guide To Further Education* Hayes, Dennis, Marshall, Toby, Turner, Alec, 2007-10-01 What are the key issues in FE How does FE differ from other sectors of Education What does the future hold for FE This book offers a unique and provocative guide for all lecturers committed to providing the best education and training possible in the changing world of Further Education The authors examine key issues such as How teaching in FE differs from others sectors The motivations of learners The use of new technologies in the classroom The techniques adopted by college managers The changing assessment methods The introduction of personalised learning An analysis of the politics behind the training of lecturers Written in an accessible style every chapter presents a different and challenging approach to key issues in Further Education *A Lecturer s Guide to Further Education* is essential reading for all new and experienced Further Education lecturers **Training to Teach in the Learning and Skills**

**Sector** Liz Keeley-Browne, 2013-11-04 This text takes a pragmatic approach to training to teach in the lifelong learning sector relating theory to real practice through a wealth of cases illustrations and interactive tasks Whether at the beginning of training or already qualified this book offers everything needed to achieve Qualified to Teach Learning and Skills QTLS

**Equality and Diversity in Further Education** Sheine Peart, 2025-02-28 Further Education is the most diverse of all the education sectors Managing diversity and promoting equality a legislative requirement of the 2010 Equalities Act brings significant challenges for practitioners who are tasked with making the rhetoric of politicians a reality often with little guidance and few resources This book provides practical guidance for existing lecturers and trainee teachers explaining how they can overcome these challenges and establish a positive learning environment to meet the needs of all learners This accessible and up to date book extends the scope of the diversity and inclusion debate to consider a wide range of issues including age working with cross cultural groups promoting effective gender relations sexual orientation and working with current and ex offenders Each chapter includes clear objectives case studies critical thinking tasks chapter reflections and a learning review audit *Resources in Education* , 2001-04 *Teaching Young Adult Literature Today* Judith A. Hayn, Jeffrey S. Kaplan, Karina R. Clemmons, 2016-11-02 *Teaching Young Adult Literature Today* introduces the reader to what is current

and relevant in the plethora of good books available for adolescents More importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents Hayn Kaplan and their contributors address a wide range of topics how to avoid common obstacles to using YAL selecting quality YAL for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing YAL with technology as an innovative way to teach curriculum standards across all content areas Contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen This book has been updated to reflect the wealth of new YA literature that has been published since the first edition appeared in March 2012 and to reflect new trends in technology that influences how adolescents are reading and responding to literature
