Evangelical Bible Doctrine Dr. Keith Sherlin, 2015-12-10 Over twenty-one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr. Mal Couch as well as to promote a solid, sacred, and safe theological manual for the body of Christ. Colleagues and friends of Dr. Couch, such as Dr. Wayne House, Dr. Norman Geisler, Dr. Arnold Fruchtenbaum, Dr. Timothy Demy, and more, along with many of Mal's students and disciples, set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present-day believers ought to be aware of in order to properly defend the faith. In chapter 25, you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come.
