The Seven Grandfather Teachings

History

The Seven Sacred Teachings were passed down from Indigenous cultures in North America. It was a long time ago, when elders and leaders in the community would tell their important life lessons to the young people so they could grow up to be good, strong, and wise. They believed that if everyone followed these teachings, it would make the world a better place. They also knew that if we need animals as guides for each teaching, because animals have special qualities that people can learn from.

Benefits

The Seven Sacred Teachings are like a guidebook for how to treat yourself, other people, and the world around you. These teachings remind us to:

- Take care of each other.
- Be truthful and honest.
- Show respect to everyone and everything.
- Be brave and do the right thing, even if it's hard.
- Love and care deeply for others.
- Use your knowledge wisely.
- Be humble and remember that everyone is important.

By learning and

the teachings, you
can be like the
animals and learn
the good and teach
the good to others.
