

The background of the slide is a vibrant, abstract illustration. At the bottom, a person in a blue shirt and dark pants stands on a set of red stairs that lead upwards. At the top of the stairs is a large, white, three-dimensional ampersand (&) symbol. Above the ampersand, numerous brown and tan rectangular blocks are shown in various stages of falling or being thrown, creating a sense of dynamic movement. The overall color palette is dominated by warm tones like orange, red, and brown, with a bright yellow and white glow emanating from behind the ampersand.

**Tear Down These Walls** John H. Armstrong,2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20 21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God s love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity *Out of Bondage* Ysaac J. Chabo,2024-11-19 This is the true story of a man raised in Cuba who immigrated to the United States and the trials and tribulations he faced along the way Chabo hopes his story will instill a higher appreciation for freedom and faith in his readers as they discover what he suffered and endured Knowledge ethics and the freedom of faith are some of the most precious things worth fighting for and may be the most taken for granted in today s world
