God that Offer Comfort Brief meditations for those in sorrow When death enters our life a process begins that we refer to as
grieving This is a confusing process that is accompanied by different emotions such as sadness disbelief relief anger
resignation depression despair and even new joy in life The image of the labyrinth helps us to accept that grieving is a
complex process in which we learn to accept the empty place and seek to come to grips with all our emotions The forty short
meditations in this book were written with the goal that we might allow ourselves to be comforted from God s Word and that
