parent I don't believe anyone can really understand what the children and foster parents go through. My husband and myself along with our two children endured the joys and heartaches of being foster parents. Our social system is broken and the children in care are suffering for it. Parents are neglecting and physically, mentally, and sexually abusing their children with little to no consequences. We experienced children coming into our home in the middle of the night covered in their mother's blood after witnessing their father stabbing her repeatedly. Our greatest challenge as foster parents was saying goodbye. If they were going home to a loving family, we were happy for them, but many times that wasn't the case. Often they were bounced from foster home to foster home year after year. That's where the system failed them. We're still friends with many of our foster children who are adults now. They're asking themselves, "Why me?"

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
