[Homer's Allusive Art](#) Bruno Currie, 2016-10-06 What kind of allusion is possible in a poetry derived from a centuries long oral tradition and what kind of oral derived poetry are the Homeric epics Comparison of Homeric epic with South Slavic heroic song has suggested certain types of answers to these questions yet the South Slavic paradigm is neither straightforward in itself nor necessarily the only pertinent paradigm

Augustan Latin poetry uses many sophisticated and highly self-conscious techniques of allusion which can this book contends be suggestively paralleled in Homeric epic and some of the same techniques of allusion can be found in Near Eastern poetry of the third and second millennia BC. By attending to these various paradigms this challenging study argues for a new understanding of Homeric allusion and its place in literary history broaching the question of whether there can have been historical continuity in a poetics of allusion stretching from the Mesopotamian epic of Gilgamesh via the Iliad and Odyssey to the Aeneid and Metamorphoses despite the enormous disparities of time and place and of language and culture including those represented by the cuneiform tablet the papyrus roll and by an oral performance culture. The fundamental methodological problems are explored through a series of interlocking case studies treating of how the Odyssey conceivably alludes to the Iliad and also to earlier poetry on Odysseus' homecoming the Iliad to earlier poetry on the Ethiopian hero Memnon the Homeric Hymn to Demeter to earlier poetry on Hades' abduction of Persephone and early Greek epic to Mesopotamian mythological poetry pre-eminently the Babylonian epic of Gilgamesh.

The Warrior and the Wolf Rich Hungerford, 2021-05-28 There is an arduous path that warriors walk no matter where they live in the world. True warriors seek to learn what serves them and what does not, what is selfish and what is selfless and how to decide in favor of light over dark. Like everyone else, the warrior owns the consequences, good or bad. In a how-to manual, modern-day warrior Rich Hungerford offers guidance and support to a new era of warriors desiring to positively impact the world while navigating the challenges of life. Intertwined with his often deeply personal insights gathered from his own life journey is philosophical guidance on how to successfully walk the warrior's path. Within the three stages of the journey, Hungerford candidly describes both the difficulties and rewards that accompany a warrior's commitment to personal growth, provides an awareness of the importance of developing the mind, body, and spirit along the way, and encourages the acceptance of and surrender to a personal destiny with grace. The Warrior and the Wolf shares wisdom, insights, and advice for warriors seeking guidance on how to walk a spiritual path to develop the higher self, live true, and truly live.
