Augustine's Confessions: Ten Studies Johannes van Oort, 2023-12-21. This book presents new interpretations of essential and well-known passages from Augustine's Confessions. In ten chapters, Augustinian specialist Johannes van Oort analyzes and explains many essential passages in the work from the background of Augustine's thorough knowledge of Manichaeism. This Gnostic variant of Christianity exerted a great influence on the North African Augustine as evidenced in his most famous and arguably most influential work. In a new light appear such figures as Monica, Ponticianus, Lady Contenance, the rather obscure African bishop who speaks of Augustine as a son of such tears, events such as the illustrious pear theft, the coming of a glorious young man to dreaming Monica, Augustine's dramatic conversion, basic features such as his concept of God, deep sense of sexual sin, highly influential reflections on memory, fundamental view of Christ as God's Right Hand and perhaps most importantly his mystical spirituality. **Divine Violence and the Character of God** Claude F. Mariottini, 2022-02-01. There is much violence in the Old Testament, both human and divine. Christians and non-Christians react differently to what they read about the God of the Old Testament. Some people are so affected by the violence found in the Old Testament that they give up on God, stop going to church and reading the Bible, and eventually lose their faith. Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament. A popular alternative in the twenty-first century is to return to the second century and adopt some form of Marcionism and

make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes *A Plague of Angels* Sheri S. Tepper, 2011-11-16 Atop a twisting canyon climbing road a witch lurks in a fortress built strong to keep out dragons and ogres In another part of the countryside a young orphan is maturing into a beautiful woman in the enchanted village that is her home Somewhere nearby a young man is seeking adventure after running away from his family's small farm Suddenly a strange and terrible prophecy sets off a chain of events that will bring these three together in the heroic romantic and thrilling tale of an age old battle **They Cried to the Lord** Patrick D. Miller, 1994 Both compellingly and clearly Patrick D Miller introduces biblical prayer in all its varied forms and from different angles the prayers of Israel's neighbors the names of God in prayer prayers for help the response of God praise the prayers of women confession and penitence prayers for others blessing and curse and Jesus and Paul at prayer The perspective throughout is that of faith and its relation to prayer and theology The result is a book of importance for church members students scholars and others **The Works of Mary Robinson: Poems** Mary Robinson, 2009 *The Oracle's Daughter* Paula de Vera, 2021-04-16 Aldin has always felt out of place In her fifteen years of life as a refugee alongside her parents in the small elf enclave of Lar she's never displayed a single one of the gifts for which her race the oracles are known But what if she isn't who everyone wants her to believe she is What if there's another explanation The Oracle's daughter is the first book in the Landeron saga a coming of age story that explores the power of friendship solidarity and the love that's possible between people of different origins whose paths will cross in the fight for survival in an unforgiving world Because the only limits that exist are the ones we place on ourselves
