Isaiah (Baker Commentary on the Old Testament: Prophetic Books) J. Gordon McConville, 2023-04-25 The book of Isaiah has been regarded from the earliest Christian period as a key part of the Old Testament's witness to Jesus Christ This commentary by highly regarded Old Testament scholar J Gordon McConville draws on the best of biblical scholarship as well as the Christian tradition to offer a substantive and useful commentary on Isaiah McConville treats Isaiah as an ancient Israelite document that speaks to twenty first century Christians He examines the text section by section offering a fresh translation textual notes paragraph level commentary and theological reflection and shows how the prophetic words are framed to persuade audiences Grounded in rigorous scholarship but useful for those who preach and teach this volume is the second in a new series on the Prophets Series volumes are both critically engaged and sensitive to the theological contributions of the text Series editors are Mark J Boda McMaster Divinity College and J Gordon McConville University of Gloucestershire

Redeeming Singleness (Foreword by John Piper) Barry Danylak, 2010-09-01 Though marriage is highly esteemed throughout Scripture the Bible also affirms singleness as an important calling for some Christians Redeeming Singleness expounds a theology of singleness that shows how the blessings of the covenant are now directly mediated to believers through Christ Redeeming Singleness offers an in depth examination of the redemptive history from which biblical singleness emerges Danylak illustrates the continuity of this affirmation of singleness by showing how the Old Testament creation mandate and the New Testament kingdom mandate must both be understood in light of God's plan of redemption through spiritual rebirth in Christ As the trend toward singleness in the church increases the need for constructive theological reflection likewise grows Redeeming Singleness meets this need providing encouragement to those who are single or ministering to singles and challenging believers from all walks of life to reflect more deeply on the sufficiency of Christ

A Step Toward Cracking the Deutero-Isaiah Codes Bing W. Shen, 2007 The late distinguished Professor R N Whybray of Old Testament wisdom literature formerly with the University of Hull England once commented on who the Servant is in the second half of the book of Isaiah He said to the effect that the reason the later generations are so confused about the identity of this Servant is because the key to understanding the background of the original language has been lost This author thinks that he has found the key that will unlock the meaning or the codes if you will of many verses in Isa 40-55 as amply documented in this book Many verses that puzzled quite a few commentators for centuries have found the intended meaning through the use of this key The key is to read Isa 40-55 through the book of Jeremiah This brand new approach to interpreting these sixteen much treasured chapters of Isaiah is a must read for all serious Bible students The most satisfying and illuminating result of this study is that the Jeremiah new covenant is unveiled in two DI texts and in a split up pattern The Suffering Servant is positively identified as the Principal of the Superior Party of the new covenant Through His willing acceptance of the vicarious suffering unto death the new covenant and salvation are established Furthermore the receiving party of the new covenant is no longer limited to the house of Israel and Judah but is extended to include all the peoples on this earth And this prophecy was uttered hundreds of years before the Era of the New Testament This is surely among the greatest prophecies if not THE greatest prophecy
