John Corrigan, 2015-05-27 For many Christians in America becoming filled with Christ first requires being empty of themselves a quality often overlooked in religious histories In *Emptiness* John Corrigan highlights for the first time the various ways that American Christianity has systematically promoted the cultivation of this feeling Corrigan examines different kinds of emptiness essential to American Christianity such as the emptiness of deep longing the emptying of the body through fasting or weeping the emptiness of the wilderness and the emptiness of historical time itself He argues furthermore that emptiness is closely connected to the ways Christian groups differentiate themselves many groups foster a sense of belonging not through affirmation but rather avowal of what they and their doctrines are not Through emptiness American Christians are able to assert their identities as members of a religious community Drawing much needed attention to a crucial aspect of American Christianity *Emptiness* expands our understanding of historical and contemporary Christian practices **Stonewiser** Dora Machado, 2008-06 Stones and the secrets they hold protect the Goodlands from the corruption of rot only stonewisers are able to divine the stones stories When Sariah the most gifted stonewiser of her generation discovers her world has been based on lies she forms an unlikely alliance with Kael a rebel leader and begins a quest for the truth no matter how devastating it may be

Collected Works of Florence Nightingale Florence Nightingale,2009-11-17 Florence Nightingale is famous as the lady with the lamp in the Crimean War 1854 56 There is a massive amount of literature on this work but as editor Lynn McDonald shows it is often erroneous and films and press reporting on it have been even less accurate The Crimean War reports on Nightingale s correspondence from the war hospitals and on the staggering amount of work she did post war to ensure that the appalling death rate from disease higher than that from bullets did not recur This volume contains much on Nightingale s efforts to achieve real reforms He **Beautiful, Evil, Little Things** Michael Dunn, Ireland keeps its secrets well In the

dusty margins of Garda cold files and in the quiet dread of farmers fields a darker history waits to be uncovered Garda Se n Murch is no stranger to routine duty in his Kerry town but when a protected ringfort is found disturbed strange bones are unearthed and a hawthorn tree bursts impossibly through a car bonnet he stumbles into cases that no training could prepare him for From vanishings in Galway s art scene where a beautiful patron lures away musicians and painters to mutilated flocks in Donegal that whisper of famine spirits Se n finds himself circling truths older than the State itself Each case pulls him deeper into Ireland s hidden folklore where the Aos S guard their mounds the Leann n S feeds on brilliance and the Fear

Gorta drains whole communities of hope Bound by duty haunted by dreams and tethered by the stories his mother once told
Se n must confront an antiquarian s obsession that threatens to pry open doors best left sealed His superiors dismiss the signs but the patterns are undeniable the land remembers and the fair folk do not forgive Part police procedural part folk horror and wholly Irish in spirit this supernatural thriller brings the old myths roaring into the present For fans of Tana French Neil Gaiman and John Connolly it asks one chilling question what happens when folklore stops being a story and starts being evidence

The

House of Souls Arthur Machen,2015-10-22 Edward Darnell awoke from a dream of an ancient wood and of a clear well rising into grey film and vapour beneath a misty glimmering heat and as his eyes opened he saw the sunlight bright in the room sparkling on the varnish of the new furniture He turned and found his wife s place vacant and with some confusion and wonder of the dream still lingering in his mind he rose also and began hurriedly to set about his dressing for he had overslept a little and the bus passed the corner at 9 15 He was a tall thin man dark haired and dark eyed and in spite of the routine of the City the counting of coupons and all the mechanical drudgery that had lasted for ten years there still remained about him the curious hint of a wild grace as if he had been born a creature of the antique wood and had seen the fountain rising from

the green moss and the grey rocks The breakfast was laid in the room on the ground floor the back room with the French windows looking on the garden and before he sat down to his fried bacon he kissed his wife seriously and dutifully She had brown hair and brown eyes and though her lovely face was grave and quiet one would have said that she might have awaited her husband under the old trees and bathed in the pool hollowed out of the rocks

Charting the Supernatural

Judgements of Planet Earth Jeremiah Asher,2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God s spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1 2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible
