The Old-Fashioned Get Well Postcard Book Cassandra Eason,1992-09-01 Oak Park in Vintage Postcards Douglas Deuchler,2003-08-06 Although it was first settled in the 1830s Oak Park did not become an independent municipality until it split from Cicero Township in 1902 No longer a rustic small town the village soon became a population magnet attracting ever larger numbers of prosperous progressive people to settle in what many soon referred to as the finest of the streetcar suburbs Coincidentally use of the penny picture postcard had approached a national mania during this era Thus from the earliest years of the 20th century the rapid growth and development of Oak Park was well documented even celebrated with a vast and varied array of outstanding postcard images **Geneva in Vintage Postcards** John J. Laukaitis,2004 Geneva was an ideal location for settlement with rich farming soil a river to power the mills and a plentiful supply of trees for lumber it didn t take long to attract and support a thriving community Incorporated in 1858 Geneva remains an idyllic village home to fine architecture from the mid to late 19th century scenic parks along the banks of the Fox River and a sense of community spirit and pride Geneva in Vintage Postcards opens a window into the past allowing us to experience what this community most wanted to present to others and what visitors most wanted to share with their families and friends From scenes of the historic business district to the banks of Island Park the vintage postcards of Geneva reveal a community rich in history and charm *Postcards to the Soul* Dordi Andersen,2009-12 **The Photographic Journal of America ...** ,1917 Rick Steves' Postcards from Europe Rick Steves,2009-04-01 In Postcards from Europe Rick Steves takes you on a private tour through the heart of Europe introducing you to his local friends and sharing his favorite travel moments from the Netherlands through Germany Italy and Switzerland with a grand Parisian finale Whether you re dreaming in an armchair have packed or are unpacking Postcards from Europe will inspire a love of travel of Europe and of Europeans Harford County in Vintage Postcards Bill Bates,2005 Since the early 1900s postcards have offered views of all facets of life in Harford County These keepsakes document natural beauties such as Kilgore Falls and natural disasters such as the ice boulders that invaded Havre de Grace during the winter floods of the Susquehanna River Church spires dominate a bird s eye view of Jarrettsville from 1910 The streets and stores of Aberdeen Forest Hill and Perryman come to life Postcards reveal the pride of homeowners in Darlington and Bel Air This volume features the many hard working citizens who helped the county prosper farm hands fishermen smithies North Harford slate quarry workers and many more World War I views of a soldier s life at Edgewood Arsenal salute the county s military The stunning portraits in this collection highlight the people who made Harford County what it is today **Fifteen Postcards** Kirsten McKenzie,2015-08-17 History shapes those who travel through it Following the unexplained disappearance of her parents and in a last ditch attempt to save the antique store she has inherited from financial ruin Sarah Lester takes on a deceased estate Amongst the estate is a collection of vintage postcards which lead Sarah on a journey through time Sarah is unprepared for what these postcards hint at about their

reclusive former owner and soon they complicate her life in unimaginable ways transporting her to Victorian London colonial New Zealand and to the British Raj in India Sarah has to fight her twenty first century instincts and a century of emancipation to survive Traversing three continents and two centuries where tiger hunts and ruby necklaces are irrevocably entwined with murders and mysteries auction houses and antiquities Sarah is drawn into the enigma that could solve her parents disappearance and the question of should she stay or should she go gets harder and harder to answer the deeper she delves into the past Perfect for fans of the Outlander series and lovers of The Time Travelers Wife What people are saying about Fifteen Postcards If history lessons had been this entertaining I would have scored an A Andrene Low author of the Excess Baggage series This story is one for devotees of adventurous historical fiction and tales of plucky young women finding their feet Stephanie Jones CoastFM Book Reviewer I think the author has done a commendable job in bringing the story to life and it s obvious that she has used extensive historical research to ensure that the story always feels authentic and that s not an easy feat to pull off JaffaReadsToo Book Blogger Kirsten McKenzie has written a very unusual novel part time travel part historical and part antique review Sarah s adventures in other times and other continents linked together by the postcards and the antiques are well researched and entertainingly written Historical Novel Society What reviewers are saying about Kirsten McKenzie McKenzie has done a spectacular job of combining well researched history with a hint of mysterious intrigue Anxious Canadian Blog Kirsten Mckenzie has written an excellent foray into historical fiction I m honestly not quite sure how she was able to keep up with and integrate the different settings time periods and characters without losing her place But she managed it magnificently Author Sean Whittaker McKenzie s descriptions of the shop are well drawn and wonderfully evoke the jumbled chaos of layers of leftovers from centuries of everyday life NZBookLovers blog
