

THE OLD TESTAMENT SCROLLS OF
**OBADIAH, JONAH
& MICAH**

With Commentary by Dr. J.J. Hurtak

The Old Testament Scrolls Of Obadiah Jonah Micah By

Francesco Zanella

The Old Testament Scrolls Of Obadiah Jonah Micah By:

The Old Testament Scrolls of Obadiah, Jonah and Micah, 1984-01-01 **Commentary on the New Testament Use of the Old Testament** G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies

Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries.

The Old Testament John Kaltner, Steven Linn McKenzie, 2014-09-08 Designed for readers who have no familiarity with the Old Testament or Hebrew Bible, this introduction provides a complete overview of its development and its continuing interpretation. Each chapter follows the same four-part format: Content summarizes the biblical book being treated; Growth explains the process behind the book's composition according to the most up-to-date scholarship; Context describes the historical, literary, and social settings that were at work in the book's production; and Interpretation explores the various ways in which the book has been and continues to be understood in scholarly and religious communities. **The Old Testament: Its Background, Growth, and Content** is an ideal classroom resource because even though it presents the biblical books in their canonical order, it can be read in any sequence to meet the needs and aims of a given course.

The Hebrew Bible in Light of the Dead Sea Scrolls Armin Lange, Kristin De Troyer, Shani Tzoref, Nóra Dávid, 2013-06-11 Until recently, most non-biblical manuscripts attested in the Qumran library were regarded as copies of texts that were composed after the books of the Hebrew Bible were written. Students of the Hebrew Bible found the Dead Sea Scrolls therefore mostly of interest for the textual and interpretative histories of these books. The present collection confirms the importance of the Dead Sea Scrolls for both areas by showing that they have revolutionized our understanding of how the text of the biblical books developed and how they were interpreted. Beyond the textual and interpretative histories, though, many texts attested in the Qumran library illuminate the time in which the later books of the Hebrew Bible were composed and reworked, as well as Jewish life and law in the time when the canon of the Hebrew Bible developed. This volume gives important examples as to how the early texts attested in the Dead Sea Scrolls help to better understand individual biblical books and as to how the later texts among them illustrate Jewish life and law when the canon of the Hebrew Bible evolved. In order to find an adequate expertise for the seminar **The Dead Sea Scrolls and the Hebrew Bible**, the editors invited both junior and senior specialists in the fields of Hebrew Bible, Second Temple Judaism, Dead Sea Scrolls, and Rabbinics to Rome.

Dictionary of the Old Testament: Prophets G. MCCONVILLE, MARK J. BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old

Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

The Old Testament Steven L. McKenzie, John Kaltner, 2007 A clear and comprehensive introduction to the content growth context and interpretation of the Old Testament

The Books of the Old Testament in Your Palm Ayuba Mshelia, 2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s

insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book **The Lexical Field of the Substantives of “Gift” in Ancient Hebrew** Francesco Zanella,2010-07-07 This monograph exhaustively investigates the semantic domain of gift in Ancient Hebrew which comprises 28 substantives The investigation firstly focuses on the syntagmatic and paradigmatic relations that determine the meanings of each individual lexeme and subsequently provides an overall picture of the developments and extensions of the whole lexical field across the different layers of Ancient Hebrew The investigation sheds new light on the debated issue of the so called sectarian Qumran writings by demonstrating that they attest to distinctive patterns of lexical organisation that are not found elsewhere in Ancient Hebrew The appendix finally discusses the feasibility of drawing concept related conclusions on the basis of linguistic data thus sketching a possible map of the concept of gift **Truth from the Earth** Art Shotwell,2015-11-03 Written in semi autobiographical style the book intertwines personal testimony scripture and the nature of God The author shows how seemingly trivial or isolated events combine with sad or challenging circumstances over a period of years or even decades to work together for good according to Romans 8 28 These same events may be key factors necessary for us to experience in order to fulfill the plans and purposes God has for nations or individuals as described in Jeremiah 29 11 The book addresses issues which are either unclear or unmentioned in the Bible These include the fate of infants or small children who die before having faith or being baptized what happens to friends relatives or others we love who may have gone through life without knowing Christ as their personal savior and entire populations who have never heard of Christ over many centuries The book identifies the unpardonable sin in a manner that removes all doubts and questions The book also confronts serious misinterpretation of scripture in what the author calls Gods Greatest Truth or Satans Greatest Deception Finally the author compares the Commentary on Habakkukuncovered in the Dead Sea Scrollsto events in modern history showing that this prophecy of things which were destined for the last generation have been fulfilled Additionally he describes in detail another archeological discovery yet to be revealed which can be verified scientifically and will be incontrovertible proof to Jews and gentiles alike that God is real and Jesus is Lord and Savior **The Five Scrolls** Bob MacDonald,2019-03-04 Where is a good starting point for reading the Bible Five scrolls constitute the second section of the third major division of the Hebrew bible These are the Song of Songs Ruth Lamentations Qohelet and Esther The Song like the Psalms is a key to our hearing of instruction Ruth establishes the Moabite ancestry of David showing we must read about enemies more carefully The music of the Lamentations moves us with four acrostic poems and a fifth poem of 22 verses

of prayer to make new our days as of old Sing the melody of Qohelet that adorns chapter 3 the time for every delight under the heavens And party with Esther These five books are short and represent pieces of the whole story the Song a key Ruth a snippet of history Lamentations the tragedy of the destruction Qohelet the words of the shrewd and Esther ultimate social success including taxes They are like the elaborate bow on the whole unfathomable present that is the Hebrew Bible The Five Scrolls is volume 6 of the series The Hebrew Bible and Its Music *Echoes of Scripture in the Letter of Paul to the Colossians* Christopher A. Beetham,2009-01-31 While the use of the Old Testament in the New Testament has captured the attention of biblical scholars over the years no study has been devoted to the presence of Scripture in Colossians largely because there are no explicit quotations in Colossians With the introduction of literary intertextuality into the discipline however scholars have begun to devote more attention to the NT authors less explicit references to Scripture often labelled as allusions and or echoes Scholars however continue to debate what constitutes an allusion or echo or how one validates a given proposal as such This study proposes new definitions of these terms and offers a methodology on how to detect and validate them using Colossians as a test case *The Harlot by the Side of the Road* Jonathan Kirsch,2009-09-23 Sex Violence Scandal These are words we rarely associate with the sacred text of the Bible Yet in this brilliant new book Jonathan Kirsch shows that the Old Testament is filled with some of the most startling and explicit stories in all of Western literature These tales of seduction and rape voyeurism and exhibitionism intermarriage and illegitimacy assassination and murder have been suppressed by religious authorities throughout history precisely because they are so shocking You mean that s in the Bible is the common reaction of the contemporary reader to the stories that Kirsch retells and explores In *The Harlot by the Side of the Road* Kirsch recounts these suppressed and mistranslated tales in the grand storytelling tradition Here is the tale of Dinah the young Israelite daughter raped by a princely suitor The price for her hand in marriage The circumcision of every man in his kingdom Here too is the story of Lot s daughters who when faced with the possibility that they are the last survivors on earth must copulate with their drunken father to continue their race And the story of Tamar the harlot by the side of the road who must disguise herself as a prostitute and seduce her father in law in order to bear the child who has been promised her Kirsch places each story within the political and social context of its time and delves into the latest biblical scholarship to explain why each story was originally censored He also brings to light when and where each story was first written down and how it found its way into the Bible And he shows how these stories have something important to say to contemporary readers who might never pick up a Bible Kirsch reveals that the Bible s real power lies in its unflinching lessons in human nature And he illuminates the surprising modernity of the Bible s characters these were like us people delicately balanced between their destructive and generous natures Certain to excite controversy and ignite intellectual debate *The Harlot by the Side of the Road* will undoubtedly be one of the year s most talked about books *Passport to Jewish Music* Irene Heskes,1994-06-30 The purpose of this book is to present a survey of Jewish music to illuminate its

special role as a mirror of history tradition and cultural heritage The 27 topical chapters have been placed within a modified chronological perspective to present a historic picture of virtually every important development in Jewish music The book represents a culmination of several decades of the author s dedicated labor and scholarly study in this field

On the public role of the Bible in Zimbabwe Masiwa Ragies Gunda,2015-03-26 Volume 18 of BiAS series is dedicated to critically unpack the meaning of the call to re write the Bible made by the first President of Zimbabwe Canaan S Banana in 1991 In this book the author engages with Banana s written works and makes critical observations regarding the call to re write the Bible This book argues that re writing was proposed as a means to an end by Banana It is demonstrated that what Banana intended was eradicating injustice violence and inequality in the Middle East which was fuelled by the ideology of chosenness which was sustained by a use of the Bible Once it became clear the end was not re writing the Bible this work moved on to consider alternative means to achieving the same end The search for alternatives leads the author to consider the way of Europe that is de biblification or a watered down biblification which is named partial de biblification in this work Finally the author proposes a critical biblification as a viable alternative to re writing or de biblification This book in honor of Banana calls for socially and contextually relevant biblical studies

Minor Prophets: Hosea through Malachi Andrew Hill,Richard Patterson,2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God s Word Each volume guides the reader through the literacy and theological issues in the text and provides correlation to multiple numbering systems for word study This volume includes the entire NLT text of Hosea Malachi translation notes and fresh expository commentary

'The Real Scriptures' of God James Platter,2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

[Encyclopedia of Early Christianity](#) Everett Ferguson,2013-10-08 First published in 1997 What s new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and

updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps

In Defense of the Faithful C. DeVolld,2006-12 In Defense of the Faithful The Scriptural Truth of Catholicism was written as an aggressive defense of the Catholic Faith It explores the foundations and historic origins of Catholic doctrine from an evangelical fundamentalist and reformed Protestant point of view It offers the teachings of the Church in common language then defends the position with scriptural quotations from throughout the Holy Bible It then quotes the Catechism formal teaching doctrine of the Catholic Church offering a factual presentation of what the Church actually teaches rather than what many people think it teaches In doing so it is critical not only of Protestantism but some aspects of Catholicism in practice as well It credits and praises both groups of Christians as being believers dedicated to Jesus and the Trinity while pointing out the mutual failures of both groups It is a thought provoking examination of Catholic doctrine practice theology and ethics from a biblical viewpoint and is not afraid to point fingers at all parties involved in greater Christianity The Lamb Christology of the Apocalypse of John Loren L. Johns,2014-11-10 Revision of the author s thesis Ph D Princeton Theological Seminary 1998 *The Queer Bible Commentary, Second Edition* Mona West,Robert Shore-Goss,2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture

The Enigmatic Realm of **The Old Testament Scrolls Of Obadiah Jonah Micah By**: Unleashing the Language is Inner Magic
