The Old Trails West The Stories Of The Trails That Made A Nation:

The Oregon Trail Tim McNeese,2009 During the 19th century hardy pioneers used the Oregon Trail to migrate to the Pacific Northwest The five to six month journey spanned 2 170 miles west through territories that became the states of Missouri Kansas Nebraska Wyoming Idaho Oregon and Washington However the journey west was not necessarily a smooth one According to some statistics about one tenth of the emigrants perished along the way After the completion of the transcontinental railroad in 1869 traffic along the Oregon Trail declined Yet the trail was used until modern highways were constructed parallel to large portions of the trail during the 1890s The Oregon Trail Pathway to the West focuses on the period of 1840 1859 when approximately 52 000 pioneers moved to Oregon and nearly five times that opted to move to California and Utah

The Donner Party Tim McNeese,2009 Recounts the journey of the Donner Party which in 1846 sought to travel from Independence Missouri to California but took an untried shortcut that trapped them in the Sierra Nevada mountains during a terrible winter

Brush Country and the heart of America The best articles from the Brush Country Bull weekly newspaper column 1977 2005 in The Devine News by Henry B Briscoe Henry Briscoe had quite a life It began simply on a Depression era dairy farm near Devine Texas continued at Texas Tech University and then took a 180 degree turn to the military In the Air Force Henry flew transport planes around the world commanded a squadron in Vietnam and assisted the Joint Chiefs of Staff at the Pentagon But that Devine boyhood had a strong hold on him spiny cactus rattlesnakes horny toads and all so he settled there when his 25 year Air Force career was over Soon after his return Henry organized a deer hunting contest and wrote an article about it in The Devine News The town folk loved it so he wrote another And another Thus began Brush Country Bull a folksy column that would run weekly for 27 years and recall denounce poke fun and celebrate quite literally EVERYTHING With a range as big as Texas Henry jawed about midnight buck hunting dropping bulldozers on an ice island at the North Pole making deer sausage supporting the Devine Fire Department critiquing elected officials and learning the names of migrating birds And that s just a sampling So git you a good cup of coffee head on out to that porch swing and spend a little time with Henry
