The Old Witch and the Crows Ida DeLage,1991 The Old Witch schemes with the King of the Crows to get rid of the pesky great horned owl **In the Company of Crows and Ravens** John M. Marzluff,Tony Angell,2008-10-01 Crows and people share similar traits and social strategies To a surprising extent to know the crow is to know ourselves from the Preface From the cave walls at Lascaux to the last painting by Van Gogh from the works of Shakespeare to those of Mark Twain there is clear evidence that crows and ravens influence human culture Yet this influence is not unidirectional say the authors of this fascinating book people profoundly influence crow culture ecology and evolution as well John Marzluff and Tony Angell examine the often surprising ways that crows and humans interact The authors contend that those interactions reflect a process of cultural coevolution They offer a challenging new view of the human crow dynamic a view that may change our thinking not only about crows but also about ourselves Featuring more than 100 original drawings the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives In the Company of Crows and Ravens illuminates the entwined histories of crows and people and concludes with an intriguing discussion of the crow human relationship and how our attitudes toward crows may affect our cultural trajectory *The International Monthly Magazine of Literature, Science, and Art* ,1852 *The International Magazine of Literature, Art, and Science* ,1851 **Nana Bedtime Story** Janette Biddulph,2014-09-20 My young friends someone brought me from the bookshop for his children to read He placed me here on this table and I have been lying here for long a time No one seems to have noticed me on this beautiful glass topped table I am plain from the outside but take a look at me from the inside you will love what you see and read inside I want to be your Best Friend I want to be with you wherever you go travel by car bus train or plane Sit in the park lye on your bed in your room Been punished no T V sent to your room TAKE ME OUT of your pocket or be it school bag or wherever you had put me I and only I can help you pass your time Hold me tight but please don t bend me I will get hurt and you must not hurt me for after all I am your best friend
