## **The Olive Tree Connection:**

**The Olive Tree Connection** John Fischer, 1983 Yeshua of Nazareth was Jewish His twelve disciples were Jewish and the Bible was written by Jews Gentiles adopted Yeshua as exclusively their own and Jews grew to fear the very word Christian John Fischer maintains that Gentile and Jew can once again share Israel's Messiah back cover **My Olive Tree** Hazar Elbayya, 2024-09-17 In this simple touching picture book about the healing power of a loving community a girl's grandpa and her neighbors help her grow an olive tree in a war-torn land A BOOKLIST BEST BOOK OF THE YEAR Salam's grandpa says that olive trees are strong and that their roots run deep in their Palestinian land They connect everyone from the farmer who presses the olives into oil to the baker who uses the oil in his taboon Salam plants her own seed and is eager to see it grow She waits she waters she asks the seed to hurry until finally a sprout But one day soldiers come and destroy everything in their path including Salam's new olive tree Salam is crushed though she doesn't have to worry Her grandpa gathers their neighbors and together they plant olive trees as far as the eye can see With spare sensitive prose and gentle illustrations debut author/illustrator Hazar Elbayya delivers a powerful story about the beauty of the olive tree and the importance of community in the face of hardship **CONNECTIONS** Glen Carpenter, 2012-12-15 CONNECTIONS is an excellent tool for understanding the Bible's hidden symbolism It is filled with insights from Hebrew and Greek words and ancient Jewish and Middle Eastern culture and customs This is an extensive work nearly 200,000 words with 23 chapters packed with valuable information for teaching preaching or personal research This will expand the reader's understanding of the God's amazing orchestration hidden in the Bible as it reveals the deep truths hidden in the events names places numbers parables and even the languages the Bible was written in *Biopolitics of the More-Than-Human* Joseph Pugliese, 2020-10-23 In *Biopolitics of the More Than Human* Joseph Pugliese examines the concept of the biopolitical through a nonanthropocentric lens arguing that more than human entities from soil and orchards to animals and water are actors and agents in their own right with legitimate claims to justice Examining occupied Palestine Guantanamo and sites of US drone strikes in Afghanistan Pakistan Somalia and Yemen Pugliese challenges notions of human exceptionalism by arguing that more than human victims of war and colonialism are entangled with and subject to the same violent biopolitical regimes as humans He also draws on Indigenous epistemologies that invest more than human entities with judicial standing to argue for an ethico-legal framework that will enable the realization of ecological justice Bringing the more than human world into the purview of justice Pugliese makes visible the ecological effects of human war that would otherwise remain outside the domains of biopolitics and law **A Dictionary of the Bible** William Smith, 1868 [God's Great Reset: Assessing Covid, the Rapture & Yeshua's Body in an END TIME Context](#) Yosef Rachamim Danieli, 2023-04-10 Are we really living in the end times Could it be that the recent Covid-19 crisis marked the beginning of the end Will that be followed by an imminent pre-tribulation rapture Will we still be living here for at least some of the great tribulation Are we prepared Will we need to change the model we use as

Messiah's body during the potentially tumultuous circumstances soon coming on our world. This very interesting and challenging book addresses the above questions in a convincing and biblical way. As a native Israeli Jew and a follower of Israel's Messiah Redeemer, the author approaches the above issues using his Hebraic Jewish Middle Eastern lens. Spoiler alert: Do not expect traditionally accepted explanations and interpretations of end-time prophecies. Be prepared rather to have your settled theology disrupted as you read with an open mind. You may discover your thinking has been influenced by traditional teachings which are the byproducts of misinterpreted scriptures due to a lack of understanding of their proper cultural and linguistic context. Sit back and enjoy the ride.

constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented
