NeoConservatism C. Bradley Thompson, 2015-11-17 An obituary so soon Surely the reports of neoconservatism s death are greatly exaggerated C Bradley Thompson has written with Yaron Brook the most comprehensive and original analysis of neoconservatism yet published and in the process has dealt it a mortal blow Neoconservatism An Obituary for an Idea reveals publicly for the first time what the neocons call their philosophy of governance their plan for governing America This book explicates the deepest philosophic principles of neoconservatism traces the intellectual relationship between the political philosopher Leo Strauss and contemporary neoconservative political actors and provides a trenchant critique of neoconservatism from the perspective of America s founding principles The theme of this timely book neoconservatism as a species of anti Americanism will shake up the intellectual salons of both the Left and Right What makes this book so compelling is that Thompson actually lived for many years in the Straussian neoconservative intellectual world Neoconservatism therefore fits into the breaking ranks tradition of scholarly criticism and breaks the mold when it comes to informed incisive nonpartisan critique of neoconservative thought and action **A Companion to Ayn Rand** Allan Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand s entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth

scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand's controversial positions      **Explaining Postmodernism** Stephen Ronald Craig Hicks, 2004      **What Do White Americans Owe Black People?** Jason D. Hill, 2021-10-12 In this provocative and highly original work philosophy professor Jason D Hill explores multiple dimensions of race in America today but most importantly a black white divide which has grown exponentially over the past decade Central to his thesis Hill calls on black American leaders and their white liberal sponsors to escape from the cycle of blame and finger pointing which seeks to identify black failures with white hatred and indifference This overblown narrative is promulgated by a phalanx of black nihilists who advocate the destruction of America and her institutions in the name of ending whiteness Much of the black intelligentsia consists of these false prophets and it is their poisonous ideology which is taught uncontradicted to students of all races It is they who are responsible for the cultural depression blacks are suffering in today's society Ultimately the answer to what do White Americans owe is not about the morality or practicality of reparations affirmative action or other redistributionist schemes Hill rejects the collectivist premise behind the argument instead couching notions of culpability justice and fairness as responsibilities of individuals not arbitrary racial or ethnic groupings      **India, The Third World, Why?** Rakesh Wadhwa, 1994 The Thesis Of He Author S That India Has The Capacity To Overtake The U S A And Hat This Will Happen By The Year 2014 How That Is What Is The Book Is All Above Divided Into 3 Parts And 15 Chaptrs Bookseller Stamp On The First Page Without Dustjacket      *Encyclopedia of Ethics* Lawrence C. John D Rockefeller and Thomas Edison to demonstrate the role of values in the creation of material goods and the role of the virtues in value creation The author challenges readers to rethink the relationship between profit value and virtue Ayn Rand Chris Matthew Sciabarra,2013-10-15 Author of The Fountainhead and Atlas Shrugged Ayn Rand 1905 1982 is one of the most widely read philosophers of the twentieth century Yet despite the sale of over thirty million copies of her works there have been few serious scholarly examinations of her thought Ayn Rand The Russian Radical provides a comprehensive analysis of the intellectual roots and philosophy of this controversial thinker It has been nearly twenty years since the original publication of Chris Sciabarra s Ayn Rand The Russian Radical Those years have witnessed an explosive increase in Rand sightings across the social landscape in books on philosophy politics and culture in film and literature and in contemporary American politics from the rise of the Tea Party to recent presidential campaigns During this time Sciabarra continued to work toward the reclamation of the dialectical method in the service of a radical libertarian politics culminating in his book Total Freedom Toward a Dialectical Libertarianism Penn State 2000 In this new edition of Ayn Rand Chris Sciabarra adds two chapters that present in depth analysis of the most complete transcripts to date documenting Rand s education at Petrograd State University A new preface places the book in the context of Sciabarra s own research and the recent expansion of interest in Rand s philosophy Finally this edition includes a postscript that answers a recent critic of Sciabarra s historical work on Rand Shoshana Milgram Rand s biographer has tried to cast doubt on Rand s own recollections of having studied with the famous Russian philosopher N O Lossky Sciabarra shows that Milgram s analysis fails to cast doubt on Rand s recollections or on Sciabarra s historical thesis **Disparagement Humor in Social Life** Nathan Miczo,2022-09-07 In this book Nathan Miczo demonstrates that humor operates at different levels of identity exploring how within and between group dynamics shape the creation and reception of disparagement humor While positive forms of humor arise in interpersonal settings negative forms reflect the activation of group based communal identities Building on this dual sociality view Miczo critiques the superiority theory of disparagement humor rooted in Hobbes s definition of laughter and tied to his notion of a war of all against all Miczo employs the agon Greek for contest to replace the Hobbesian metaphor with a view that groups use disparagement humor to pursue rival goals This perspective forwards the multifunctional utility of humor in social life analyzing examples of naturally occurring interaction drawn from studies in Communication Psychology and Anthropology Scholars of humor studies communication and anthropology will find this book of particular interest **Organizational Behavior** Linda K.
