The Operas Of Wagner:

The Stories of Wagner's Operas Richard Wagner, Joseph Walker McSpadden, 1924 **Opera and Drama** Richard Wagner, 1966-01 With Richard Wagner opera reached the apex of German Romanticism Originally published in 1851 when Wagner was in political exile *Opera and Drama* outlines a new revolutionary type of musical stage work which would finally materialize as *The Ring of the Nibelung* Wagner's music drama as he called it aimed at a union of poetry drama music and stagecraft In a rare book length study the composer discusses the enhancement of dramas by operatic treatment and the subjects that make the best dramas The expected Wagnerian voltage is here in his thinking about myths such as Oedipus his theories about operatic goals and musical possibilities his contempt for musical politics his exaltation of feeling and fantasy his reflections about genius and his recasting of Schopenhauer This edition includes the full text of volume 2 of William Ashton Ellis's 1893 translation commissioned by the London Wagner Society *The Operas of Wagner* James Cuthbert Hadden, 1908 *The Wagner Operas* Ernest Newman, 1991-10-13 In this classic guide the foremost Wagner expert of our century discusses ten of Wagner's most beloved operas illuminates their key themes and the myths and literary sources behind the librettos and demonstrates how the composer's style changed from work to work Acclaimed as the most complete and intellectually satisfying analysis of the Wagner operas the book has met with unreserved enthusiasm from specialist and casual music lover alike Here available for the first time in a single paperback volume is the perfect companion for listening to or attending *The Flying Dutchman* *Tannhäuser* *Lohengrin* *Tristan and Isolde* *Die Meistersinger* the four operas of the Ring Cycle and *Parsifal* Newman enriches his treatment of the stories texts and music of the operas with biographical and historical materials from the store of knowledge that he acquired while completing his numerous books on Wagner including the magisterial *Life of Richard Wagner* The text of *The Wagner Operas* is filled with hundreds of musical examples from the scores and all the important leitmotifs and their interrelationships are made clear in Newman's lucid prose This is as fine an introduction as any ever written about a major composer's masterpieces Newman outlines with unfailing clarity and astuteness each opera's dramatic sources and he takes the student through the completed opera step by step with all manner of incidental insight along the way Robert Bailey New York University *The Operas of Wagner* Gianni Truvianni, 2019-05-27 The operas of Wagner described for those who are considering becoming opera fans **Parsifal, Richard Wagner** Richard Wagner, 1986 The English National Opera Guides were originally conceived in partnership with the English National Opera and edited by Nicholas John the ENO's dramaturg who died tragically in an accident in the Alps Most of the guides are devoted to a single opera which is described in detail with many articles that cover its history and information about the composer and his times The complete libretto is included in both the original language and in a modern singing translation except where the opera was written in English Each has a thematic guide to the most important musical themes in musical notation and each guide is lavishly illustrated They also contain a bibliography and a discography

which is updated at each reprint The ENO guides are widely regarded as the best series of their kind and excellent value

Cuthbert Hadden, 2015-06-24 Excerpt from The Operas of Wagner Their Plots Music and History This is frankly and avowedly a book for the musical amateur for the man or woman who wants to hear a Wagner music drama and wants to know first and chiefly what it is all about Technicalities have been avoided as far as possible the one aim being to give lovers of opera a clear understanding of the several works in the Wagnerian repertoire with such facts about their history about the original sources of their texts and so on as seem likely to heighten the listener's interest and appreciation Each of the music dramas dealt with Parsifal excepted has formed the subject of a separate volume issued by the publishers in a series devoted to the Great Operas In thus bringing the individual Wagner volumes within one cover I have tried to eliminate all repetitions and other overlapping matter and to give the work such unity as is attainable under the circumstances My obligations are due more or less to all the leading writers on Wagner and his works About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Rhinegold & the Valkyrie** Richard Wagner, 2001 [Siegfried: English National Opera Guide 28](#) Richard Wagner, 1984 English National Opera Guides are ideal companions to the opera They provide stimulating introductory articles together with the complete text of each opera in English and the original Wagner wanted Siegfried the third music drama in The Ring of the Nibelung to be the most popular of the cycle Despite its many beautiful and dramatic scenes and its vital part in the drama it has not

fulfilled its composer's aspiration Professor Ulrich Weisstein examines why Professor Anthony Newcomb contributes a detailed analysis of Wagner's use of leitmotifs identifying the different purposes they fulfill Derrick Puffett takes up the extraordinary fact that Wagner composed *Tristan and Isolde* and *The Mastersingers of Nuremberg* in the eight year hiatus between his beginning and completion of *Siegfried's* second act Puffett explores the subsequent changes in Wagner's musical imagination that enabled the composer to complete his enormous task The thematic guide compliments those found in the other Opera Guides to *The Ring Cycle*

The Operas of Wagner Cuthbert Hadden, 2017-08-21 This is frankly and avowedly a book for the musical amateur for the man or woman who wants to hear a Wagner music drama and wants to know first and chiefly what it is all about Technicalities have been avoided as far as possible the one aim being to give lovers of opera a clear understanding of the several works in the Wagnerian repertoire with such facts about their history about the original sources of their texts and so on as seem likely to heighten the listener's interest and appreciation Each of the music dramas dealt with *Parsifal* excepted has formed the subject of a separate volume issued by the publishers in a series devoted to the Great Operas In thus bringing the individual Wagner volumes within one cover I have tried to eliminate all repetitions and other overlapping matter and to give the work such unity as is attainable under the circumstances

The Ring of the Nibelung of Richard Wagner Richard Wagner, 2001-01-01

The Complete Operas Of Richard Wagner Charles Osborne, 1993-03-22 Wagner's operas can be counted among the most important works of art of the nineteenth century But Wagner was a composer around whom violent artistic political and literary controversies raged during his lifetime Even today Wagner's music seems to arouse either adulation or antipathy In *The Complete Operas of Richard Wagner* as in the first four volumes of his famous series on the great opera composers Charles Osborne first describes the composer's life at the time he wrote each opera thus providing a biographical thread which runs through the book follows it with a thorough examination of the libretto and its sources and lastly tells the story of the opera which he links to the major musical features This book is in effect a musical biography of Wagner tracing his development from his first complete opera *Die Feen* to his last *Parsifal* It serves as an invaluable guide to the often perplexing Wagner oeuvre both for the regular opera goer and the armchair listener

The operas of Wagner James Cuthbert Hadden, 1924

Wagner Outside the Ring John Louis DiGaetani, 2009-10-21 Designed as a companion volume to 2006's *Inside the Ring* which focused on the four operas comprising Richard Wagner's *Der Ring des Nibelungen* this new volume features more than a dozen original essays focusing on all of Wagner's non Ring operas Part One looks at the individual operas including *Der Fliegende Holländer* *Tannhäuser* *Lohengrin* *Tristan und Isolde* *Die Meistersinger von Nürnberg* and *Parsifal* Part Two reveals the connections between Wagnerian opera and other arts including dance filmmaking and fiction Finally Part Three examines Wagner's operas in performance featuring interviews with mezzo soprano Michelle DeYoung and heldentenor Ben Heppner both well known for their Wagnerian performances The book includes many photographs from current productions by the Metropolitan Opera

and other opera companies along with bibliographies and a discography of recommended performances Richard Wagner, Composer of Operas John F. Runciman, 2019-12-09 In Richard Wagner Composer of Operas John F Runciman presents an intricate examination of the life and works of one of opera's most transformative figures Runciman's prose deftly intertwines biographical sketches with astute analyses of Wagner's compositions shedding light on the socio-political and artistic currents of the 19th century that shaped his monumental works The book navigates Wagner's innovative approaches to music including his use of leitmotif and groundbreaking conceptualizations of opera challenging conventional forms and addressing profound themes of love betrayal and redemption John F Runciman a noted musicologist and biographer dedicates this work to exploring the complexities of Wagner's artistic vision Having immersed himself in the study of music history Runciman draws on extensive archival research and personal insights from studying the operatic genre His appreciation for Wagner's influence on contemporary music and theater is informed by his own experience in performance and his scholarly background particularly in examining the intersection of art with cultural history For readers fascinated by the transformative power of music and theater Runciman's exploration offers invaluable insights into Wagner's genius This book is a compelling resource for both seasoned scholars and newcomers alike as it enriches the understanding of Wagner's operatic legacy and his enduring impact on the arts

The Operas Of Wagner Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Operas Of Wagner has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Operas Of Wagner has opened up a world of possibilities. Downloading The Operas Of Wagner provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Operas Of Wagner has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Operas Of Wagner. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Operas Of Wagner. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Operas Of Wagner, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Operas Of Wagner has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
