*Evening Worship in the Orthodox Church* N. Uspenskii, 1985 In this study on evening worship in the Orthodox Church Nicholas Uspensky reveals the true purpose for which the service of Vespers came into existence the ancient Christian tradition of giving thanks for the evening light and the faith which this tradition implies concerning the presence of Christ in the midst of those gathered in His name While tracing the evolution of the rites of Vespers and the Liturgy of the Presanctified Gifts from their Old Testamental antecedents to their present forms today he calls upon liturgical commentators to stand closer to the meaning attached to the service of evening worship by the ancient Church This valuable historical liturgical study also discusses the Communion which is added to the Vespers in the midst of the Fast and the differences that exist between the Greek and Russian orders of service for the sacraments of penance and the Eucharist

The ^AOxford Handbook of Ritual and Worship in the Hebrew Bible Samuel E. Balentine, 2020-09-16 Ritual has a primal connection to the idea that a transcendent order numinous and mysterious supranatural and elusive divine and wholly other gives meaning and purpose to life The construction of rites and rituals enables humans to conceive and apprehend this transcendent order to symbolize it and interact with it to postulate its truths in the face of contradicting realities and to repair them when they have been breached or diminished This Handbook

provides a compendium of the information essential for constructing a comprehensive and integrated account of ritual and worship in the ancient world

**Credo** Jaroslav Pelikan, 2005-12-12 One of the world's leading scholars offers unique insights into the history and significance of Christian creeds Eminent theologian Jaroslav Pelikan has been translating editing and studying the Christian creeds and confessions of faith for sixty years This book is the historical and theological distillation of that work In Credo Pelikan addresses essential questions about the Christian tradition the origins of creeds their function their political role how they relate to Christian institutions worship and service and how they help to explain the major divisions of the Christian church and of Christian history Credo stands as an independent reference work devoted to the subject of what creeds and confessions are and what their role in history has been It is also the first of the four volumes of *Creeds and Confessions of Faith in the Christian Tradition* edited by Pelikan and Valerie Hotchkiss *Treasury...* Anthony Charles Deane, 1906

Eastern Christianity and Politics in the Twenty-First Century Lucian N. Leustean, 2014-05-30 This book provides an up to date comprehensive overview of Eastern Christian churches in Europe the Middle East America Africa Asia and Australia Written by leading international scholars in the field it examines both Orthodox and Oriental churches from the end of the Cold War up to the present day The book offers a unique insight into the myriad church state relations in Eastern Christianity and tackles contemporary concerns opportunities and challenges such as religious revival after the fall of communism churches and democracy relations between Orthodox Catholic and Greek Catholic churches religious education and monastic life the size and structure of congregations and the impact of migration secularisation and globalisation on Eastern Christianity in the twenty first century The Church Has Left the Building Michael Plekon, Maria Gwyn McDowell, Elizabeth Schroeder, 2016-09-30 The origin of the phrase the church has left the building lies with Elvis In order to clear halls of his riotous fans after concerts it was announced that Elvis has left the building Here the expression highlights intense change within the church Not only does the church change for its own existence it also does so for the life of the world The church cannot avoid the many past and future changes of our constantly transforming society demographic changes long in process What you have before you is a gathering of first hand reflections stories really from a diverse group of Christians lay as well as ordained While each has a distinctive experience of the church in our time all of them have something to say about the many changes in our society and how these are affecting our faith the parish and pastoral work Contributors Mary Breton Nicholas Denysenko Adam A J DeVille John C Frazier David Frost Carol Fryer Kenneth J Guest Brett Hoover Abbie Huff Wongee Joh Justin Mathews Maria Gwyn McDowell William C Mills Robert Corin Morris Sarah Hinlicky Wilson Michael Plekon

**Political Construction Sites** Pal Kolsto, 2018-02-19 The dissolution of the Soviet Union has provided scholars with tremendously rich material for the study of comparative nation building Not since the decolonization of Africa in the 1960s have so many new states been established in one stroke in one region The post Soviet states moreover have all the necessary prerequisites for fruitful comparison a number of similarities but also

significant differences in terms of size culture and recent history In order to survive in the long run modern states normally must have a population that possesses some sense of unity Its citizens must adhere to some common values and common allegiance towards the same state institutions and symbols This does not mean that all inhabitants must necessarily share the same culture but they should at least regard themselves as members of the same nation Strategies to foster this kind of common nationhood in a population are usually referred to as nation building After a decade of post Soviet nation building certain patterns are emerging and not always the most obvious ones Some states seem to manage well against high odds while others appear to be disintegrating or sinking slowly into oblivion To a remarkable degree the former Soviet republics have chosen different models for their nation building This book examines the preconditions for these endeavors the goals the state leaders are aiming at and the means they employ to reach them *Eucharistic Sacramentality in an Ecumenical Context* David J. Kennedy, 2016-04-22 This book explores the epiclesis or invocation of the Holy Spirit in the Eucharistic Prayer using the Anglican tradition as an historical model of a communion of churches in conscious theological and liturgical dialogue with Christian antiquity Incorporating major studies of England North America and the Indian sub Continent the author includes an exposition of Inter Church ecumenical dialogue and the historic divisions between western and eastern Eucharistic traditions and twentieth century ecumenical endeavour This unique study of the relationship between theology and liturgical text commends a theology and spirituality which celebrates the presence of the Holy Spirit in the Eucharist as present and eschatological gift It thus sets historic contemporary and ecumenical divisions in a new theological context

Holy Communion in the Piety of the Reformed Church Hughes Oliphant Old, 2020-04-13 The Lutheran High Church Movement in Germany and its liturgical work: an introduction Arne Giewald, 2011 This is a book about the High Church movement in the German Lutheran Churches particularly about its two major branches the Church Union Hochkirchliche Vereinigung and its inner circle the Confraternity of St John and the movement of Berneuchen the Confraternity of St John and the movement of Berneuchen the Confraternity of St Michael Evangelische Michaelsbruderschaft and related groups

**The Living Church**, 1944 The Mission of the Church Craig Ott, 2016-08-02 Leading Voices from across Christian Traditions Discuss the Mission of the Church What is the mission of the church Every seminarian and church leader must wrestle with that question No matter what designation a church uses to describe itself it must also think critically about why it exists and what it should be doing In this book five leading voices representing a range of Christian traditions engage in an enlightening conversation as they present and compare their perspectives on the mission of the church Each contributor offers his or her view and responds to the other four views Contributors include Stephen B Bevens Darrell L Guder Ruth Padilla DeBorst Edward Rommen and Ed Stetzer The book's format is ideal for classroom use and will also benefit pastors and church leaders The Church in the Movement of the Spirit William R. Barr, 1994 A collection of seven essays exploring how the Spirit moves in an amazing variety of ways through the church's life and witness Based on a four year study by the

Faith and Order Working Group of the National Council of Churches this volume offers an ecumenical view of the Spirit at work in the church and of the wider movement of the Spirit in creation and in human history *Christianity* Matt Stefon Assistant Editor, Religion, 2011-08-15 Describes the basic doctrines history and religious practices of Christianity including Christian concepts of human nature and profiles famous Christian figures throughout history *Christianity* Britannica Educational Publishing, 2011-05-01 Arguably one the greatest influences on the Western world if not the world as a whole the Christian faith can be described as a cultural and religious colossus for the tremendous effect it has had on the development of civilization as we know it Although centered around the figure of Jesus of Nazareth Christianity evolved rapidly leading to the creation of various sects and traditions that have come to represent different peoples around the world This compelling tome examines the philosophy history dogma and socio cultural aspects of a religion that has been found at the heart of both conflict and peace Sidebars brim with interesting facts and stories that support the main narrative *The Coltrane Church* Nicholas Louis Baham III, 2015-08-11 The John Coltrane Church began in 1965 when Franco and Marina King attended a performance of the John Coltrane Quartet at San Francisco's Jazz Workshop and saw a vision of the Holy Ghost as Coltrane took the bandstand Celebrating the spirituality of the late jazz innovator and his music the storefront church emerged during the demise of black owned jazz clubs in San Francisco and at a time of growing disillusionment with counter culture spirituality following the 1978 Jonestown tragedy For 50 years the church has effectively fought redevelopment environmental racism police brutality mortgage foreclosures religious intolerance gender disparity and the corporatization of jazz This critical history is the first book length treatment of an extraordinary African American church and community institution **The Ecclesiology of St. Basil the Great** Olga Druzhinina, 2016-06-22 In this book Olga Druzhinina analyzes St Basil's understanding of the church paying special attention to his Trinitarian approach to its life Although the role of God the Trinity in the life of the church occupies a considerable place in St Basil's thought as Druzhinina demonstrates it is a subject that has not previously been addressed by scholars The analysis offered here of the life of the church as grounded in Trinitarian philanthropy provides fresh insights into St Basil's understanding of the worldwide fellowship of believers Druzhinina also brings into focus another neglected aspect of St Basil's ecclesiology his perception of the church as a two dimensional heaven and earth mystical reality with a strong bond between both parts the heavenly and the earthly *Church, State, and Opposition in the U.S.S.R.* Gerhard Simon, 1974-01-01
