Future is a historical and faith based account of how what we do and allow today will affect tomorrow It is an attempt to hold conditions of our ti mes up to the light of truth and standards for all times Just as a seaman relies upon the North Star and weights and measures have to be re calibrated for correct readings mankind has to have standards for a moral compass We re at a time where people are being misled to do what s right in their own eyes We have thousands of different church denominations and doctrines one denomination claims to have the right answers over all the others and there s no common ground Proverbs 3 7 says Be not wise in your own eyes fear revere the Lord and depart from evil Can you imagine a country where every individual is allowed to pledge to their own self made banner That would be chaos The American flag signifies one nation the United States In God s kingdom there is also one banner Jesus Christ If we denounce the American flag we are denouncing our citizenship Likewise if we denounce Jesus as savior not prophet we are denouncing our citizenship in Heaven It s been said what one generation does in moderation the next does in excess The more we continue to lower God s standards as set forth in the Bible the more we fall into immorality Just look around at where we are today If you were able to go into a future devoid of God s standards would you know enough about His standards to help others re calibrate The Bible is to us what an owner s manual is to a car If you want to know more about your life and what you can do for our posterity read it and try to live it to the best of your ability Make a difference in your own circle of influence
