can record their thank you s wishes or needs and miracles

The Solace of Fierce Landscapes Belden C. Lane, 2007-02-26 In the tradition of Kathleen Norris Terry Tempest Williams and Thomas Merton The Solace of Fierce Landscapes explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference Interweaving a memoir of his mother s long struggle with Alzheimer s and cancer meditations on his own wilderness experience and

illuminating commentary on the Christian via negativa a mystical tradition that seeks God in the silence beyond language Lane rejects the easy affirmations of pop spirituality for the harsher but more profound truths that wilderness can teach us There is an unaccountable solace that fierce landscapes offer to the soul They heal as well as mirror the brokenness we find within It is this apparent paradox that lies at the heart of this remarkable book that inhuman landscapes should be the source of spiritual comfort Lane shows that the very indifference of the wilderness can release us from the demands of the endlessly anxious ego teach us to ignore the inessential in our own lives and enable us to transcend the false self that is ever obsessed with managing impressions Drawing upon the wisdom of St John of the Cross Meister Eckhardt Simone Weil Edward Abbey and many other Christian and non Christian writers Lane also demonstrates how those of us cut off from the wilderness might make some desert in our lives Written with vivid intelligence narrative ease and a gracefulness that is itself a comfort *The Solace of Fierce Landscapes* gives us not only a description but a performance of an ancient and increasingly relevant spiritual tradition

A Path Revealed Carlen Maddux,2016-09-01 Just days after turning fifty Martha Maddux a spirited mother and civic activist was told she had Alzheimer s disease She and husband Carlen felt as though they d been shoved out of a plane 10 000 feet up with nothing to grab but themselves *A Path Revealed* is not about the fallout from an insidious disease that extended over seventeen years It is the story of a path of hope emerging during the darkest hours a path that lifted Carlen and Martha above the devastating symptoms of this disease Carlen traveled with Martha to the backwoods of Kentucky where the quiet presence of a Catholic nun revealed a hidden path He was forced to slow down as he traced this path halfway around the world to Australia retreated weekends to a monastery embraced meditation and landed all alone in Thomas Merton s cabin This story conveys a message of hope and joy in the midst of an almost overwhelming tragedy

The Collected Writings of Marcia A. Murphy Marcia A. Murphy, 2020-03-30 The psychotic break occurred when I was in the vulnerable twenties for me a naive time of adventure and risks and I was devastated Only later was I to learn that psychotic episodes and hallucinations may have real world significance My own experience told me this but the view of scientific psychiatry that was drummed into me by family counselors doctors etc made me doubt Yet I knew something momentous had happened and I wanted to know what and what it meant for my life The search took me to the library the public library the university library the health sciences library and there I found books that some of them told a different story There I was to learn that the mind is more than the workings of the material brain I was to find that mental illness including psychotic episodes can be a means of personal transformation and may have spiritual significance
