The Private Memoirs and Confessions of a Justified Sinner James Hogg, 2019-11-18 The Private Memoirs and Confessions of a Justified Sinner It being a story replete with horrors after I had written it says Hogg I durst not venture to put my name to it and it has often been asserted that part of the writing was Lockhart s It is very nearly a masterpiece of its kind a kind somewhere between Bunyan and a spiritual Defoe It might have suggested Poe s William Wilson and it has a horror which even Poe has hardly exceeded But it is as a piece of psychology that it is most remarkable the lean dry record of a wrinkled soul which projects its own devil upon the outer air and dies the suicide of its enemy itself Here for once was this really some helping influence of Lockhart Hogg is grimly self possessed master of his material He tells us proudly that he never re wrote Not to revise means to him to hold fast my integrity he will try to write better next time but what he has written he has written The consequence of this proud incapacity is that all but his very best work is both spun out to weakness and marred by abundant absurdities of language The Scotch dialect was at once a help and a disguise to him Sometimes the difference is only apparent but for the most part he is better able to mould words to his thought out of the homely dialect whose shades of meaning were so much clearer to him than those of English The Lamp A Review and Record of Current Literature Volume 29 1904
