## **The Haggada Of The Jewish Idea:**

**The Jewish Idea and Its Enemies** Hadley Cantril, Edward Alexander, 2019-08-21 This volume deals with the modern fate of the traditional conception of Jews as a covenanted people chosen to receive the Law whose ultimate purpose is contributing to the universal salvation of mankind The author shows how under the influence of liberalism rationalism relativism and other Enlightenment ideologies this idea was distorted denied inverted yet never entirely obliterated In his discussions of modern Jewish thinkers and writers and the ideological and political struggles of Zionism and the state of Israel against enemies from without and from within Alexander shows that the ancient idea of covenant is still alive today if only in the assumption that Jewish life can lead somewhere so long as Jews remember that it began somewhere Ranging from literary criticism and the history of ideas to journalism and politics the book is unified by a point of view unabashedly espousing the Jewish idea and challenging its enemies

**The Idea of Modern Jewish Culture** Eliezer Schweid, 2008 The vast majority of intellectual religious and national developments in modern Judaism revolve around the central idea of Jewish culture This book is the first synoptic view of these developments that organizes and relates them from this vantage point The first Jewish modernization movements perceived culture as the defining trait of the outside alien social environment to which Jewry had to adapt To be cultured was to be modern European as opposed to medieval ghetto Jewish In short order however the Jewish religious legacy was redefined retrospectively as a historical culture with fateful consequences for the conception of Judaism as a humanly and not only divinely mandated regime The conception of Judaism as culture took two main forms an integrative vernacular Jewish culture that developed in tandem with the integration of Jews into the various nations of western central Europe and America and a national Hebrew culture which though open to the inputs of modern European society sought to develop a revitalized Jewish national identity that ultimately found expression in the revival of the Jewish homeland and the State of Israel

On Jewish Suffering; Opposing View & the Messianic Age, A Historic Analysis Kalman Dubov, 2024-10-23 Napoleon the French Emperor invaded Czarist Russia in the Franco Russian War of 1812 The war ended in defeat for the French with the Russians referring to this as the Patriotic War emerged victorious Napoleon was in the process of liberating Jews from their enforced living in European ghettos intending to emancipate and integrate them into modern French society Emancipation of the Jews was a key byword and many Jews hailed Napoleon as their benefactor and savior To achieve fullest integration Napoleon created a modern version of the Jewish Supreme Court the Great Sanhedrin to answer questions regarding Jewish belief laws and their ability as well as intention to integrate into modern society The head of the Sanhedrin was Rabbi David Sinzheim Chief Rabbi of Strasbourg France However opposed to French emancipation of the Jewish community was the first Chassidic leader the Rebbe of Chabad Rabbi Shneur Zalman of Liadi He was so opposed to French emancipation efforts that he directed a member of his community a man with multi lingual talents to offer his services as a translator of documents In reality however he acted as a spy and passed French military plans to the Russians We are aware of this clandestine effort by way of a letter Rabbi Shneur Zalman wrote to the spy explaining his rationale for acting this way The rabbi felt that emancipation would reduce Jewish reliance on religious devotion and prayer while emancipation would provide material benefit with a consequent loss of piety and religious adherence The letter from the Rabbi adds a dimension of thinking why he was so opposed to Napoleonic success At the time this was taking place Jews were subjects of the Czarist Empire mandated to live in the Pale of Settlement a region rife with anti Semitism pogroms penury and poverty But such living conditions the rabbi felt was preferable to emancipation Hence this strange policy was applied even to Jews who were not Chassidic not members of this sect or community After the Second World War Chabad changed dramatically No longer could the policy of their first Rebbe be imposed on Jews Because of the massive anti Semitism exhibited by the Nazis and their many willing allies who assisted them in murdering Jews the notion of living under Christian or Muslim domination was no longer viable The last Chabad Rebbe instead introduced a Messianic message praying for and encouraging others to work towards the arrival of the Messiah This book describes Jewish suffering both in the period when Rabbi Shneur Zalman was alive as well as in the long term particularly in the last millennia when Jews faced great persecutions and no less than 48 separate expulsions This volume questions the logic of Jewish suffering as a necessary prerequisite for Jewish belief and practice to be viable This policy offers the pertinent study of the period when the question of Jewish suffering was deemed key to Judaism but while enormous anti Semitism was present Yet after the Second World War an entirely new reality was introduced for Jewish survival
