Understanding Cross-cultural Management Marie-Joëlle Browaeys, Roger Price, 2019 Given the global nature of business today and the increasing diversity within the workforce of so many industries and organisations a cross cultural component in management education and training has become essential This is the case for every type of business education whether it be for aspiring graduates at the start of their careers or senior managers wishing to increase their effectiveness or employability in the international market The 4th edition of Understanding Cross Cultural Management has been adapted in line with the feedback from our many readers and boasts new case study material based on recent research as well as a stronger focus on Asian cultures thereby providing more non Western examples *Second Language Cultural Negotiation and Visual Literacy* Alec Lapidus, 2020-09-29 Second Language Cultural Negotiation and Visual Literacy looks at the theory behind cultural learning at the intersection of culture visuals and emotions and offers a theoretical and practical foundation upon which teachers can build Bringing to light theoretical work from multilingual sources this book illuminates the process of second language cultural negotiation as subjective affective and reliant on imagination and applies this theoretical basis to using comics inside and outside the classroom It re examines the popular Vygotskian concept of meaning making in the Zone of Proximal Development and identifies sequential art as a unique and legitimate academic medium that can enable cultural negotiation in a diverse and increasingly globalized society This book explores the mechanism employed by English language learners reading comics to make meaning Lapidus establishes interdisciplinary research as a valuable form of research and draws upon the concept of multiliteracies to illuminate the multimodal nature of meaning making Presenting theory and its practical ramifications this book will be of interest to undergraduate and graduate students language teachers and anyone who enjoys exploring the way humans learn Conflict Management and Mediation Martin C. Euwema, Ellen Giebels, 2024-05-02 This textbook explores the complex nature of conflict and provides concrete tools for how it can be managed Specially designed for practical use it integrates theories and models of conflict with cutting edge practical research and outlines the diverse skills and strategies necessary for competent conflict management *Intralingual Translation of British Novels* Linda Pillière, 2021-04-22 Shortlisted for the ESSE 2022 Book Awards Shortlisted for the 2022 SAES AFEA Research Prize Building on an upsurge of interest in the Americanisation of British novels triggered by the Harry

Potter series this book explores the various ways that British novels from children's fiction to travelogues and Book Prize winners have been adapted and rewritten for the US market Drawing on a vast corpus of over 80 works and integrating the latest research in multimodality and stylistics Linda Pilli re-analyses the modifications introduced to make British English texts more culturally acceptable and accessible to the American English reader From paratextual differences in cover illustrations typeface and footnotes to dialectal changes to lexis tense syntax and punctuation Pilli re-explores the sociocultural and ideological pressures involved in intralingual translation and shows how the stylistic effects of such changes including loss of meaning voice rhythm and word play often result in a more muted American edition In doing so she reveals how homing in on numerous small adjustments can provide fascinating insights into the American publishing process and readership

Business Negotiations in ELF from a Cultural Linguistic Perspective Milene Mendes de Oliveira, 2019-11-18 Some of the most frequent questions surrounding business negotiations address not only the nature of such negotiations but also how they should be conducted The answers given by business people from different cultural backgrounds to these questions are likely to differ from the standard answers found in business manuals In her book Milene Mendes de Oliveira investigates how Brazilian and German business people conceptualize and act out business negotiations using English as a Lingua Franca The frameworks of Cultural Linguistics English as a Lingua Franca World Englishes and Business Discourse offer the theoretical and methodological grounding for the analysis of interviews with high ranking Brazilian and German business people Moreover a side study on e-mail exchanges between Brazilian and German employees of a healthcare company serves as a test case for the results arising from the interviews and helps understand other facets of authentic intercultural business communication Offering new insights on English as a Lingua Franca in international business contexts Business Negotiations in ELF from a Cultural Linguistic Perspective simultaneously provides a detailed cultural conceptual account of business negotiations from the viewpoint of Brazilian and German business people and a secondary analysis of their pragmatic aspects

Business Discourse Francesca Bargiela-Chiappini, Catherine Nickerson, B. Planken, 2013-07-25 This second edition reviews the field of business discourse centring on the investigation of business language and communication as practice It combines research based discussions with innovative practical applications and promotes debate and enquiry on a range of competing issues emerging from business discourse research and teaching practice

*The church as sacred space in Middle English literature and culture* Laura Varnam, 2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and fifteenth centuries This book explores what was at stake not only for the church's sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church's status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and

profane were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin

**Anglophone Literature in Second-Language Teacher Education** Justin Quinn, Gabriela Kleckova, 2021-03-15 Anglophone Literature in Second Language Teacher Education proposes new ways that literature and more generally culture can be used to educate future teachers of English as a second language Arguing that the way literature is used in language teacher education can be transformed the book foregrounds transnational approaches and shows how these can be applied in literature and cultural instruction to encourage intercultural awareness in future language educators It draws on theoretical discussions from literary and cultural studies as well as applied linguistics and is an example how these cross discipline conversations can take place and thus help make Second language teacher education SLTE programs more responsive to the challenges faced by future English language teachers Written in the idiom of literary scholarship the book uses ideas of intercultural studies that have gained widespread support at research level yet have not affected literature cultural curricula in SLTE As the first interdisciplinary study to suggest how SLTE programs can respond with curricula this book will be of great interest for academics scholars and post graduate students in the fields of applied linguistics L2 and foreign language education teacher education and post graduate TESOL It has universal appeal addressing teaching faculty in any third level institution that prepares language teachers and includes literary studies in their curriculum as well as administrators in such organizations

**Language and Culture** David Nunan, Julie Choi, 2010-05-07 This state of the art exploration of language culture and identity is orchestrated through prominent scholars and teachers narratives each weaving together three elements a personal account based on one or more memorable or critical incidents that occurred in the course of learning or using a second or foreign language an interpretation of the incidents highlighting their impact in terms of culture identity and language the connections between the experiences and observations of the author and existing literature on language culture and identity What makes this book stand out is the way in which authors meld traditional academic approaches to inquiry with their own personalized voices This opens a window on different ways of viewing and doing research in Applied Linguistics and TESOL What gives the book its power is the compelling nature of the narratives themselves Telling stories is a fundamental way of representing and making sense of the human condition These stories unpack in an accessible but rigorous fashion complex socio cultural constructs of culture identity the self and other and reflexivity and offer a way into these constructs for teachers teachers in preparation and neophyte researchers Contributors from around the world give the book broad and international appeal

**American Book Publishing Record**, 2003

Intercultural Communicative Competence and Individual Differences Judit Dombi, 2021-02-19 This book presents a concise critical overview of the literature on intercultural communicative competence ICC and offers insights into research on this concept As a novel contribution to the field the book frames ICC in relation to other learner variables such as motivation willingness to communicate communication apprehension and self perceived communication competence Based

on empirical data the study proposes and tests a model of English majors ICC interacting with individual differences related to L2 communication The findings highlight that students beliefs about their own performance their apprehension from communication situations and their language learning motivation were successfully integrated into a new model of intercultural communicative competence as understood in an interactional EFL context **Literature and Popular**

**Culture in Early Modern England** Andrew Hadfield,2016-12-05 1978 witnessed the publication of Peter Burke s groundbreaking study Popular Culture in Early Modern Europe Now in its third edition this remarkable book has for thirty years set the benchmark for cultural historians with its wide ranging and imaginative exploration of early modern European popular culture In order to celebrate this achievement and to explore the ways in which perceptions of popular culture have changed in the intervening years a group of leading scholars are brought together in this new volume to examine Burke s thesis in relation to England Adopting an appropriately interdisciplinary approach the collection offers an unprecedented survey of the field of popular culture in early modern England as it currently stands bringing together scholars at the forefront of developments in an expanding area Taking as its starting point Burke s argument that popular culture was everyone s culture distinguishing it from high culture which only a restricted social group could access it explores an intriguing variety of sources to discover whether this was in fact the case in early modern England It further explores the meaning and significance of the term popular culture when applied to the early modern period how did people distinguish between high and low culture could they in fact do so Concluded by an Afterword by Peter Burke the volume provides a vivid sense of the range and significance of early modern popular culture and the difficulties involved in defining and studying it

*Corpus Perspectives on the Spoken Models used by EFL Teachers* Angela Farrell,2019-11-12 Corpus Perspectives on the Spoken Models used by EFL Teachers illustrates the key principles and practical guidelines for the design and exploitation of corpora for classroom based research Focusing on the nature of the spoken English used by L2 teachers which serves as an implicit target model for learners alongside the curriculum model this book brings an innovative perspective to the on going academic debate concerning the models of spoken English that are taught today Based on research carried out in the EFL classroom in Ireland this book explores issues and challenges that arise from the use of non standard varieties of spoken English by teachers alongside the use of Standard British English and examines the controversies surrounding sociolinguistic approaches to the study of variation in spoken English combines quantitative corpus linguistic investigations with qualitative functional discourse analytic approaches from pragmatics and SLA for classroom based research demonstrates the ways in which changing trends and perspectives surrounding spoken English may be filtering down to the classroom level Drawing on a corpus of 60 000 words and highlighting strategies and techniques that can be applied by researchers and teachers to their own research context this book is key reading for all pre and in service teachers of EFL as well as researchers in this field *Corpus, Culture, Discourse* Tamsin Sanderson,2008 **Bodily and Spiritual Hygiene in Medieval and Early**

**Modern Literature** Albrecht Classen, 2017-03-20 While most people today take hygiene and medicine for granted they both have had their own history We can gain deep insights into the pre modern world by studying its health care system its approaches to medicine and concept of hygiene Already the early Middle Ages witnessed great interest in bathing hot and cold swimming and good personal hygiene Medical activities grew over time but even early medieval monks were already great experts in treating the sick The contributions examine literary medical historical texts and images and probe the information we can glean from them The interdisciplinary approach of this volume makes it possible to view this large field in a complex and diversified manner taking into account both early medieval and early modern treatises on medicine water bathing and health Such a cultural historical perspective creates a most valuable bridge connecting literary and scientific documents under the umbrella of the history of mentality and history of everyday life The volume does not aim at idealizing the past but it definitely intends to deconstruct modern myths about the dirty and unhealthy Middle Ages and early modern age

Identity and Pragmatic Language Use Yoko Nogami, 2020-06-22 ELF English as a lingua franca research counters the monocentric view of English based on norms of native speakers of English and supports any usages reflecting sociopragmatic and pragmalinguistic reality of ELF communication Such an approach empowers any speakers of English to contemplate their own varieties of English as legitimate providing them greater options for positive self identification Based on qualitative and interpretive methodology this book illustrates how Japanese L2 English users establish identities related to L2 English as part of their multiple identities and how they explore new identity options through ELF Moreover the author demonstrates how power relations relating to English language are constructed through the participants experiences in ELF interactions Also analysis of the data reveals that to what degree the Japanese L2 English users wish to affiliate with particular groups in ELF interactions with people from diverse cultural background Because of the multidisciplinary nature of the study this book will appeal to a broad audience such as scholars and students who are interested in further understanding of identity and sociocultural issues involved in intercultural communication
