The Journey Bernard C. Ritchen, 2004-04-05 The story begins in the projects of the South Bronx, New York. There we will meet Sarah Williams, a single mother of twin girls, Michelle and Miranda, and son Jason. The Williams family struggles to break the cycle of poverty in the face of gangs, drugs, and prostitution. Jason, the youngest, attempts to assert his role as man of the house but is overwhelmed by the task at hand. Thinking that he is just one more mouth to feed, he leaves in the middle of the night and begins his life on the streets of New York City. We follow Jason as he negotiates his new world. With the thought that he will some day be reunited with his family, he makes clandestine visits to the project to see if Sarah and his sisters are still surviving. On one such visit, he discovers that they have been driven from the apartment and their whereabouts are unknown. Desperate, alone, and hopeless, Jason decides to end his life in the cathedral for the homeless, Grand Central Station. Under a stairwell, hidden by the shadows, Jason lies dying as the blood drains from his body. He is alone in a horde of thousands of commuters. Rescued by his former basketball coach, his journey begins.

The Soul of a Child Edwin Björkman, 2019-12-19 In *The Soul of a Child*, Edwin Björkman presents an evocative exploration of childhood innocence intertwined with the complexities of moral development. The narrative is rich in lyrical prose, reflecting the early 20th-century literary style that emphasizes emotional depth and a keen psychological insight. Björkman masterfully navigates the trials and triumphs of youth, offering a poignant meditation on the formative experiences that shape an individual's character and outlook, all set against a backdrop of societal expectations and norms of the time. Edwin Björkman, a scholar, playwright, and translator, often drew inspiration from his own experiences as an educator and observer of human nature. His diverse background, including his work in drama and translation of Swedish literature, imprinted a nuanced understanding of human emotions in his writing. This exploration of childhood reflects his belief in the transformative power of nurturing environments and the pivotal role of education in shaping future citizens. Readers seeking a profound narrative that transcends mere storytelling will find *The Soul of a Child* a captivating journey. Björkman's insightful reflections resonate with anyone who has grappled with the intricacies of growing up, making this book not only a reflective reading experience but a critical piece of literary artistry.

Slow Love Dominique Browning, 2011-08-30 In burnished, exquisite prose, Browning describes her feelings of being set adrift until she gradually transforms her helter-skelter days into a deliberate, contemplative way of life. *The Boston Globe* In late 2007, Dominique Browning, the editor in chief of *Condé Nast's House Garden*, was informed that the magazine had folded.

and she was out of a job Suddenly divested of the income and sense of purpose that had driven her for most of her adult life Browning panicked But freed of the incessant pressure to multi task and perform she unexpectedly discovered a more meaningful way to live Browning s witty and thoughtful memoir has already touched a chord with reviewers and readers alike While untold millions are feeling the stress of modern life Slow Love eloquently reminds us to appreciate what we have a timely message that we all need to hear
