

A white dove is shown in flight, facing right, against a vibrant blue sky filled with soft, white clouds. A brilliant light source, possibly the sun, is positioned behind the dove, creating a strong lens flare and illuminating its wings. The overall scene conveys a sense of peace and divine presence.

The Gifts of the Spirit and the Characteristics of Those Who Have Them Steve Rogers,2019-01-10 As a sergeant in the United States Marine Corps it was my sworn duty to guide teach and protect those who served in subordinate positions In this role it was critical to provide clear and concise information so that those who trusted my leadership would not be ignorant to the mission or threats The apostle Paul gives a clear warning to Christian believers pertaining to the gifts of the Spirit I would not have you be ignorant His first century warning is quite relevant in this twenty first century where doctrinal literacy is lacking and knowledge of the Holy Ghost obtained through the Word of God and experience has been replaced with choreographed programs Without clear and concise teaching the warrior in Christ is left with a butter knife rather than a sword to cut through the traditions customs and church politics that leave a believer paralyzed in ignorance The Gifts of the Spirit and the Characteristics of Those Who Have Them is a book written to be a field infantry manual for the believer that is clear and concise It provides the believer with definitions of the gifts of the Spirit and examples of how they operated both in the first century church and this present age Lastly this book will provide the believer with the information needed to examine oneself and answer the question What gift do I have This is done by describing the effect the gift has on a believer s character and behavior while operating in and out of the church
