The Of Lennon:

John Lennon: The Life Philip Norman, 2009-10-06 National Bestseller Drawing on previously unknown sources unpublished letters and unprecedented access to all the key figures author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published For this masterpiece of biography Philip Norman set himself the challenge of looking afresh at every aspect of Lennon s much chronicled life He has not just dug deep into the archives including his own vast collection of tapes and notebooks dating back to the 60s but spoken to hundreds of witnesses from every walk of life and every stage of Lennon s The interviewees include Sean Lennon whose moving reminiscences reveal his father as never before and Yoko Ono who speaks with sometimes shocking candour about her marriage to John In his brilliant Shout we were shown a band in John Lennon Philip Norman gives us a portrait of a man It reconciles as never before the contradictions of this endlessly fascinating character the volatile and violent hippie the phenomenally wealthy advocate of no possessions the family man and junkie and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture *The Words and Music of John Lennon* Ben Urish, Ken Bielen, 2007-06-30 Despite John Lennon s immense popularity little attention has been paid to his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Despite John Lennon s immense popularity little attention has been paid to the overall efforts of his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles and what the Beatles experience gave to him but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Whether expressing emotions explaining philosophies protesting social situations or ruminating on the joys and pains of personal entanglements few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Although he is often lauded as a spokesperson for his generation this praise however intended is far too limiting Lennon was able to transform the intensely personal into the deeply universal as well as the reverse often with humor and pointed insight At their core his songs are simultaneously humanistic and transcendent And as such they and he continue to be relevant and will certainly remain a

valuable part of our cultural heritage for a long time to come *The John Lennon Letters* John Lennon, 2012-10-09 A lifetime of letters collected for the first time from the legendary musician and songwriter John Lennon was one of the greatest songwriters the world has ever known creator of Help Come Together Lucy in the Sky with Diamonds Strawberry Fields Forever Imagine and dozens more But it was in his correspondences that he let his personality and poetry flow unguarded Now gathered for the first time in book form are his letters to family friends strangers and lovers from every point in his life Funny informative wise poetic and sometimes heartbreaking his letters illuminate a never before seen intimate side of the private genius This groundbreaking collection of almost 300 letters and postcards has been edited and annotated by Hunter Davies whose authorized biography *The Beatles* 1968 was published to great acclaim With unparalleled knowledge of Lennon and his contemporaries Davies reads between the lines of the artist s words contextualizing them in Lennon s life and using them to reveal the man himself **The Making of John Lennon** Francis Kenny, 2018-07-11 Despite the nearly universal fame of the Beatles many people only know the fairytale version of the iconic group s rise to fame Drawing on his extensive knowledge of Liverpool Francis Kenny reveals the real John Lennon who preceded the legend showing how his childhood shaped his personality creative process and path to success and how it also destroyed his mental health leading to the downfall of one of the most confident and brilliant musicians of the past century *The Making of John Lennon* is a must read for any Beatles fan It explains how Lennon s turbulent family background affected his relationships why the true inspiration for Strawberry Fields could not be revealed how Pete Best s college connection led to his removal from the group and why class backgrounds were the real reason for the breakup of the legendary band Offering a complex portrait of Lennon s early life *The Making of John Lennon* tells the true story behind the rise of the legendary icon Chemist and Druggist , 1922

John Lennon's Secret David Stuart Ryan, 2013-09-30 The amazing story of the rise of John Lennon s group The Beatles to fame and fortune David Stuart Ryan carried out a great deal of original research into the true background to John speaking to many of the characters who helped form his intense view of the world This was backed up with full access to the files of Time magazine The result is a comprehensive picture of a great artist living at a time of both tumult and awakening The author spoke to many of the key people for John including his formidable Aunt Mimi who brought him up after his mother s marriage hit problems because of the Second World War There is Liverpool DJ Bob Wooler who was perhaps the first to recognise the genius of the Beatles the presciently wrote There will never be another band like the Beatles again That was while they were still just a Cavern club lunchtime band Then you ll meet his first manager Alan Williams who in a most weird and almost preordained way arranged for the unknown group to take up a prestige residency in Hamburg an engagement that was to transform them from a run of the mill provincial group into a world beating combination of individual talents The seething contradictions of a red light district in early post war Germany where just about anything went were the forcing ground for an entirely new kind of music There are many secrets and surprises associated with John Lennon s early troubled

life that are hinted at but never fully revealed in many of his songs and hits John Lennon's Secret reveals these to you one by one Strawberry Fields was a Salvation Army run home for abandoned children which lay just behind his aunt's house Feeling himself abandoned it had many associations for him it was where he could be himself no wonder it is the subject of his most outstanding and haunting song All through this fast moving examination of the life of John Lennon you discover sides to him that are little known even by those who grew up with him such as Paul McCartney There are more revelations about what exactly the relationship was with his musical partner and the secrets they shared that made them such a formidable team As the myth of the Beatles continues to thrive and grow it is time for you to find out what really went on in the formation of a band who captured the wonder and amazement of the whole world There are more than 20 original photographs in the book to take you behind the scenes and chart the rise of the super group to mega stardom and its ways Even if you thought you knew the story prepare for surprises and smiles on every page of John Lennon's Secret This really is the true version of events that shook the musical world Review from the Mail on Sunday WHIZZY WORLD OF JOHN LENNON This weird wild and generally whizzy examination of Lennon's life loves lyrics and old laundry lists is a whole lot of fun Good photos too One of the first biographies to appear still proved to be the most accurate about both John Lennon and the extraordinary phenomenon that was The Beatles The Biography Book Daniel S.
