Dean,2010-03 The contour Coca Cola bottle is the most recognized package created by man It has been called an international icon and one of the most significant artifacts of the twentieth century Of everything that has been written about The Coca Cola Company the one error of omission has been the complete and accurate story about the creation of its famous contour bottle and the impact it has made in the world Knowing his entire life that it was his father Earl R Dean who designed the bottle it became the author s mission to get the story told before the truth was forever lost to set the record straight not only for his father and his descendants but for the millions of people all over the world who have enjoyed a romance with his bottle **The Three Galileos: The Man, The Spacecraft, The Telescope** Cesare Barbieri,Jürgen H. Rahe,Torrence V. Johnson,Anita M. Sohus,2013-03-14 The idea of having a conference in Padova describing the results obtained by the Galileo spacecraft and the characteristics of the Telescopio Nazionale Galileo began in 1995 when a number of colleagues from both sides of the Atlantic began exchanging suggestions and ideas Looking at the schedules of the two teams it was clear that the beginning of January 1997 would be a good time to hold the conference these dates also luckily coincided with the dates of the memorable discovery of the Medicean moons of Jupiter by Galileo Galilei in Padova in 1610 To

emphasize these three elements the name of the conference was then proposed and accepted by the involved parties NASA and JPL in the United States the German space agency DARA the University of Padova and the Astronomical Observatory in Padova I wish to recall a few key dates In January 1610 Galileo from his house in Padova had the first hint of three and then four stars connected to Jupiter In December 1995 the probe released from the spacecraft entered the atmosphere of Jupiter and the spacecraft entered orbit about Jupiter These extraordinary events were followed at JPL by a number of representatives of many institutions and space agencies In June 1996 the Telescopio Nazionale Galileo was inaugurated by the King of Spain Juan Carlos I in the presence of Prof Luigi Berlinguer Minister of University and Science These ceremonies occurred as the spacecraft started touring the moon Europa
